Yes, All Things Do Change But Never Much Too Soon

The Lower Schoolers have moved with alacrity to the new Village Campus. Their move allowed for an expansion in enrollment, faculty size, and space for added activities which inspire and nurture their creativity. They take great pride in entirely decorating their new school.

Lower Schoolers Celebrate Their Country's Bicentennial

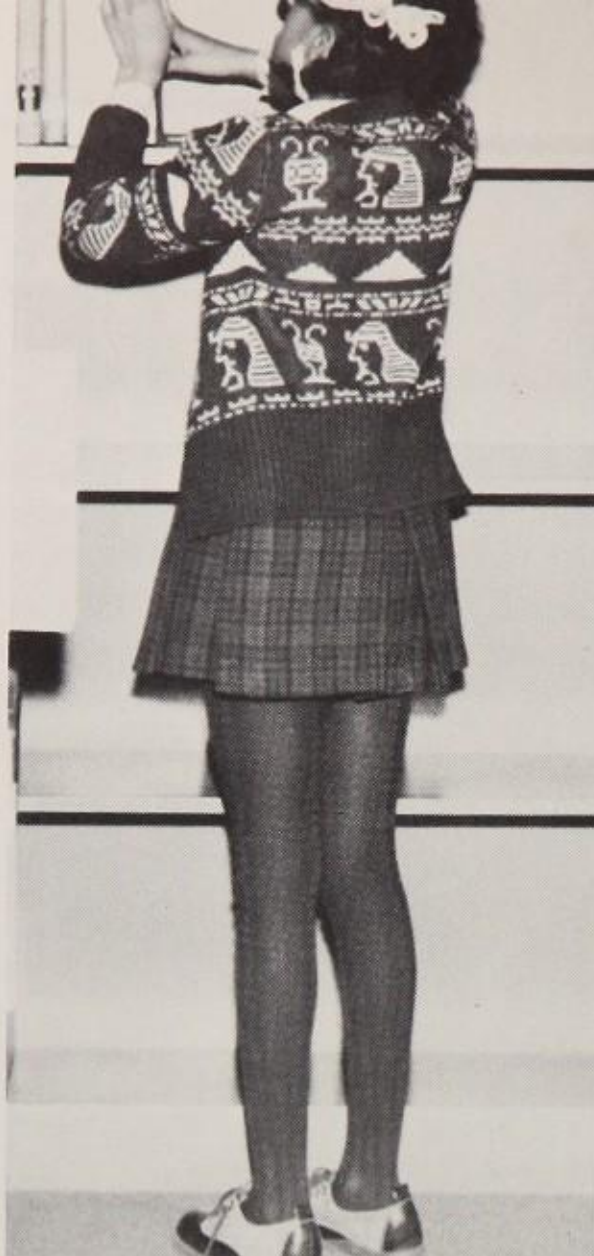

October Twenty Second, Nineteen Hundred and Seventy Five was Heritage Day for the Lower School. On this day they honored our country's Bicentennial and showed their patriotism. All the classes met in front of the Martha Mary Chapel at Greenfield Village to perform their tributes. Three grades had poetry presentations and one grade performed a square dance. The classes then went and viewed each historical building that they had been studying in their classrooms. They ate lunch at the Village and then returned to school. The trip proved to be very successful and enriching to both students and teachers. Greenfield Village enabled the students to view our heritage first hand. Heritage Day was the Lower School's way of paying tribute to the people and ideas that have made our country what it is today.

TOP: Joe St. Cyr checks to make sure that Carl Samberg is still in one piece after that wild train ride. ABOVE: "O.K. Guys, I'll keep watch while you check out the situation inside." Doug Brooks, 3rd grade. BELOW and RIGHT: Lower Schoolers participate in many activities on Heritage Day.

BELOW: Our academic Kindergarten gives the children early instruction in reading and a new found confidence in themselves. BOTTOM: Amy Shapero, just in from recess, wonders at George Washington prior to a special patriotic assembly.

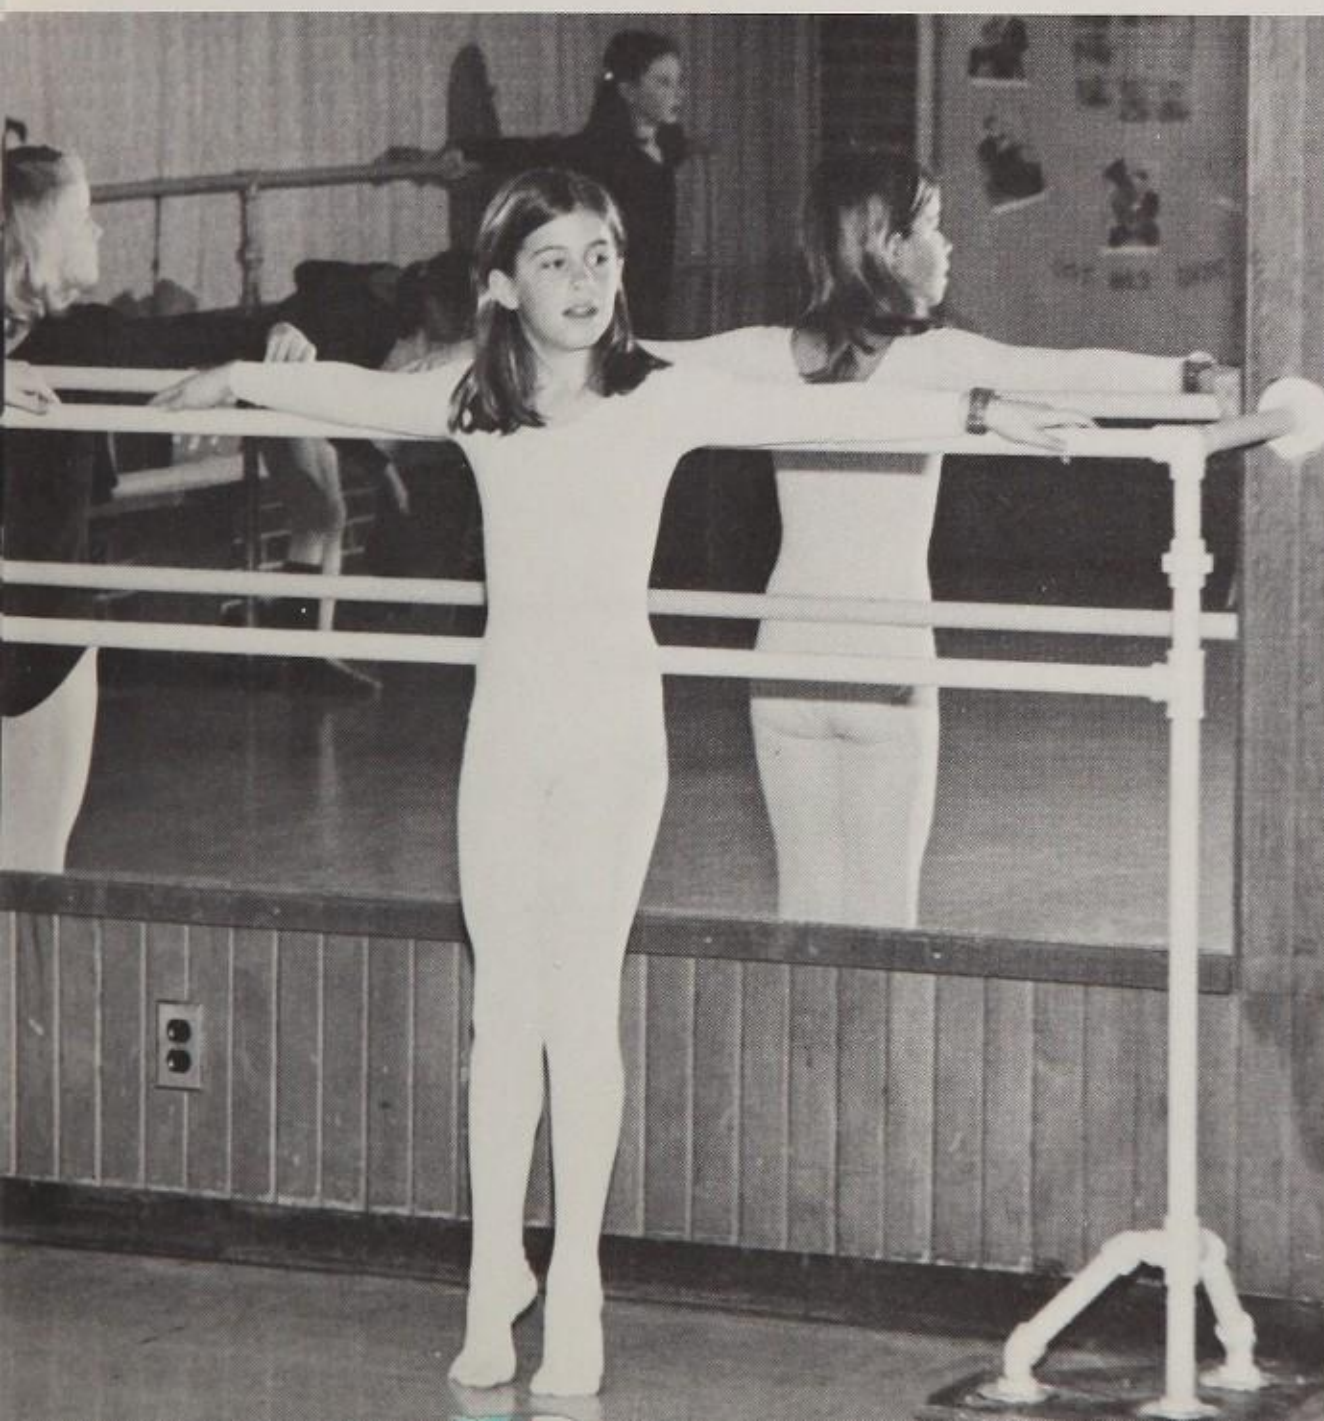

LEFT: Third Grader Lauren Gragg reaches for a book in the expanded library made possible by the move to the Village Campus. MIDDLE LEFT: Julie Kendrick, Second Grade, stops after gym to check for new growth in one of the hundreds of plants that beautify the Village Campus. BOTTOM LEFT: There're no coloring books in the Lower School! They are taught instead to express themselves freely in their art. BELOW: Ballerinas Ann Taylor and Lisa Wayburn work out at the barre as part of the new ballet program.

No One Stays the Same in The Lower School Program

Of the three schools that comprise Detroit Country Day, the Lower School may well be the most dynamic, with a wide variety of activities that keep the youngsters busy and help develop both mind and body. The newest activity was ballet, taught by Miss Barbara Seaver. For many of the girls, it was their first exposure to the dance; for others it was additional practice time to perfect positions and steps. Field trips to the Youtheater, excursions to the Royal Oak Farmers' Market, a day at Upland Hills Farm, and a walk at Kensington Park were only a few of the many activities offered. Add the special classroom fun and learning in French, phys ed, music, art, and science. That's the Lower School!

BELOW: First Graders have a playhouse for fun and instruction, too. It's a great reward when the regular work is finished. BOTTOM: Lower School Director James Schultz doubles as a science teacher and capitalizes on First Grade interest in rockets for a super science lesson. Who knows what future Von Braun's may be listening?

Everyone Changes, That's Time's Way

Growing up is seldom done,
Lacking enthusiasm from the young.
As I try to reach the sky,
Watch the world and question why.
I see the changes that come to be,
And surprisingly find the change is me.

New Activities Provide for a Broader Spectrum of Interest

Middle Schoolers enjoy a variety of innovative activities. This year more activities have been added to the Middler's list, giving him a wide variety to choose from. Some of the new and interesting activities offered include Ballroom Dancing, Decoupage, String Art, and Crocheting. The Middle School Drama Club, directed by Mr. Chapman, put on the play "Murder is Fun." The acting was excellent and the play was happily announced to be a success. The Service Club, headed by Mr. Paul, was also quite active. They directed a Torch Drive in the fall, collected gifts for needy children in the winter, and held a blood bank in the spring. Overall the new activities combined with the old were very successful, and served to make the year an enjoyable one.

Rain or Shine, Sports Go On

After a long, hard fall and winter season the middler students looked forward to the spring and a break from contact sports. They were met with a disappointment. Under the coaching of Mr. Gilman and Mr. Appleton, Mr. Jurkiewicz and Mr. Rust, Mr. McGee, Mrs. Fleming, Miss Righter, Mr. Paul and Mr. Hovevar, the tennis, track, boys lacrosse, girls lacrosse and softball, and the two baseball teams respectively had very good seasons. The sporadic performances early in the season displayed the reluctance of the young athletes to put out 100% effort. But as the season progressed, they were snapped into shape, and their skill increased to the point where they could no longer stand to lose a game. Diligently the middlers withstood long, strenuous practices under the burning sun, as well as the driving rain. The lacrosse team was continuously barraged by Mr. McGee's philosophical expositions, such as, "suffering builds character," or "you love it, and you know it." The track team ran around all the other fields and watched what seemed to be ridiculously easy practices; meanwhile the tennis team enjoyed somewhat more pleasant practices with what was claimed to be a very successful season. The late spring brought brilliant weather immediately. Consequently the baseball teams spent quite a bit of time in the outdoors, which resulted in a lot of enthusiasm within the relatively short season. Miss Righter and her girls showed marked improvement during the season although they were not given the chance to put it into official competition.

ABOVE: Middle School lacrosse requires a lot of stamina, not only for the games, but also for the grueling practice sessions every Spring afternoon. LEFT: Janene Skrobot manages to get her stick on the ball in the opening drop.

Fall Sports Begin New Year

Country Day starts off a new year with fall sports, which get these young athletes in shape after summer vacation. Fall sports consist of Football, Soccer, Tennis and Field Hockey.

This year's Country Day A Soccer team, coached by Mr. Ken Paul, had a victorious season with a 6-2 record. Jim Kavooras and Charlie Solomon led the team in scoring. Coached by Mr. Brad Gilman, the B team pulled off a 2-2 season with Peter Gilbert and Mark Riley as their best players. Mr. Neil Rust taught his C team the skills and qualities necessary.

The eighth grade Football team was led to a winning record of 3-2 by coaches Mr. George Browne and Mr. Bill Appleton. Tracy Totten and Stuart Mandelbaum were two of the team's most valuable players. The seventh grade Football team, coached by Mr. Bill Murdoch and Mr. Chuck Croy, also had a good season.

Two more teams, the girls' Tennis and Field Hockey teams, practiced. The Tennis team, coached by Ms. Mary Flemming, and the Field Hockey team, coached by Ms. Tammera Appleton, had good seasons of learning and building skills. Though they were unable to compete, they worked hard!

TOP RIGHT: Bobby Layne Murdoch attempts to throw a 75 yard bomb. ABOVE RIGHT: Mr. Paul and the remainder of his team watch the game. ABOVE: Middler soccer player battles for control of the ball. RIGHT: "—ready, set, blue 36, red 49, hut, hut!!!"

TOP RIGHT: Mr. Gilman looks for drowning swimmers on the soccer field. TOP LEFT: 8th grade Football prepares for the big game. LEFT: Open your eyes before Mr. Browne sees you! RIGHT: It's okay, Mrs. Appleton, don't cry.

Middler Sports Go Inside for Winter Season

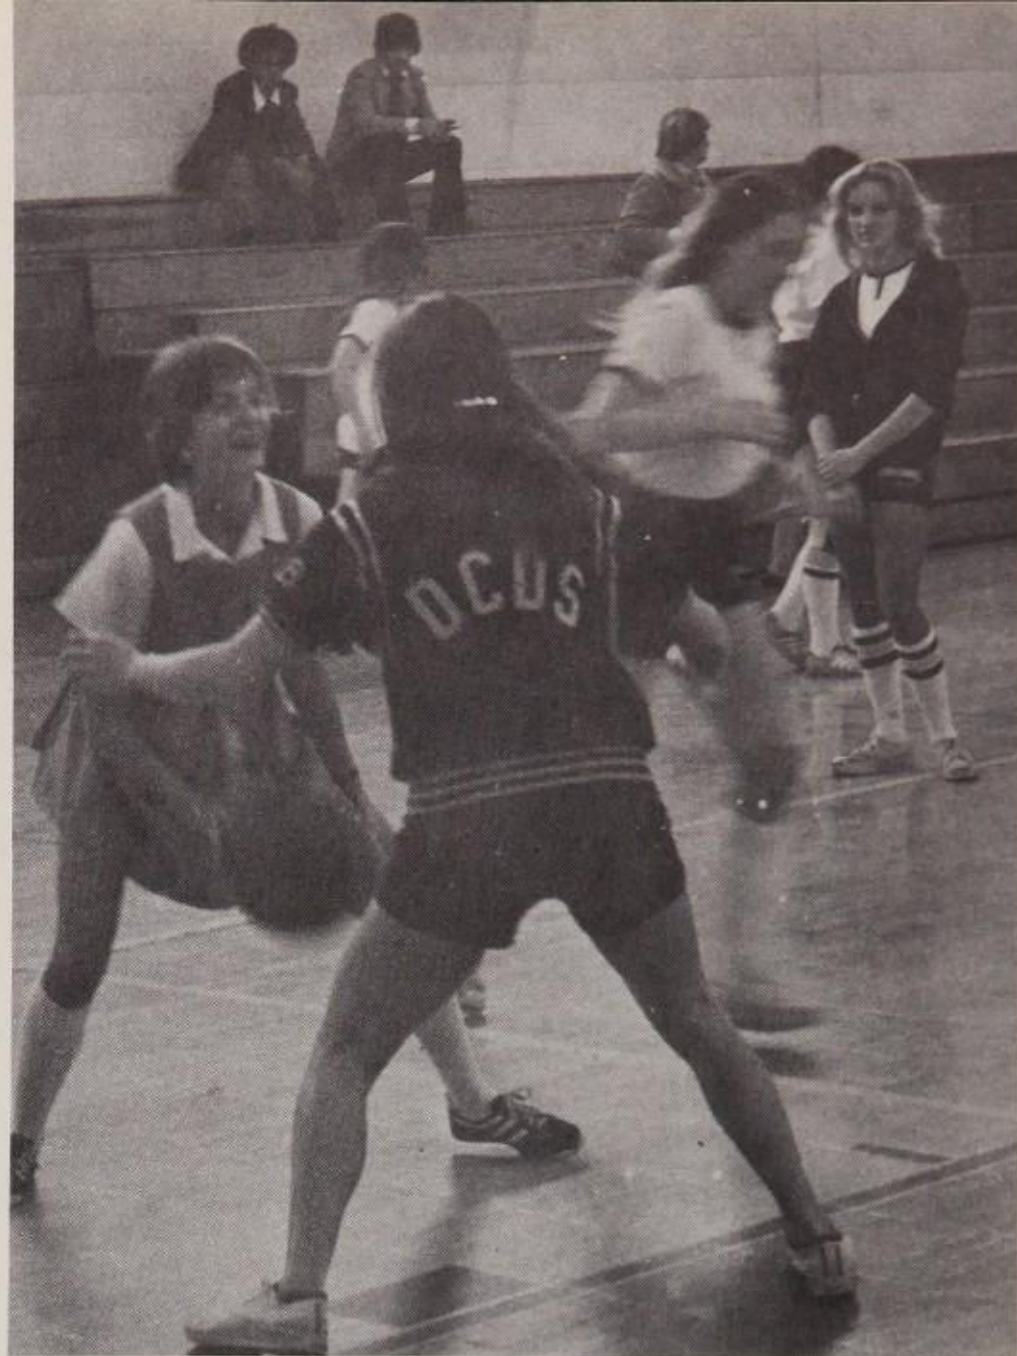

Middlers move from the frigid outdoors to the warmth of the gym. There are three Basketball teams and two Volleyball teams practicing at the same time in the gym. Despite all the confusion, organized results were turned out. Hockey and Wrestling also added to the Winter curriculum.

Basketball, a popular sport, has three teams. The A team, coached by Mr. Ken Paul, had a decent season with Robert Arnold and Tracy Totten as leading point scorers. The B team, coached by Mr. Don Hovevar, had a respectable record of 4-6. Two boys who played extremely well were Bob Walther and Damon Ajlouny. Mr. Ed Soudek coached the C team which, even though they did not play many games, showed remarkable skill. The Hockey team, coached by Mr. Ed Honos, had a very good year with a record of 5-6-1. Mark Murdoch and Charlie Solomon were their two outstanding players. Mr. George Browne's Wrestling team showed much ability against opposing teams. Alan Cutler and Maseeh Rafani led their team in victories. The girl's Volleyball team, coached by Mrs. Mary Flemming, holds the record this year with the least number of games lost, only one! Each team improved immensely. The result of Middler sports is future athletes for Varsity teams.

Fine Arts Plays Very Important Role in Country Day Curriculum

The DCDS Fine Arts program consists of a chorale, a band, and an excellent art department. Each of these sections permit individual instruction and group participation. In the past few years, the fine arts department has increased both in size and in quality. The Upper School band has gone from merely five or six members to its present size as an accredited concert band, which performs at football games and at evening concerts. The chorale has increased to so great a number that several groups have branched off from it. The best of these, the Inter-Chorus, sang on television and at the International Dinner, while the entire chorale sang at the Independent School's Fine Arts Program held at Somerset Mall, at various retiree's homes around the Detroit area, and at numerous concerts held on-campus. Harry Schwarzer, together with Nan Lechner, has increased the course offerings in the art department and now offers courses in such diverse areas as lost-wax casting, painting and drawing, sculpture, woodworking, and an independent projects class. Outstanding works were displayed at the Fine Arts Festival at Somerset.

TOP: Kim Holt paints posters to encourage the teams when fan support dwindles. LEFT: The chorus enchants the audience with a melancholy tune. ABOVE: John Summerville coordinated his outfit so he'd be noticed at the big Liggett football game while he played in the band.

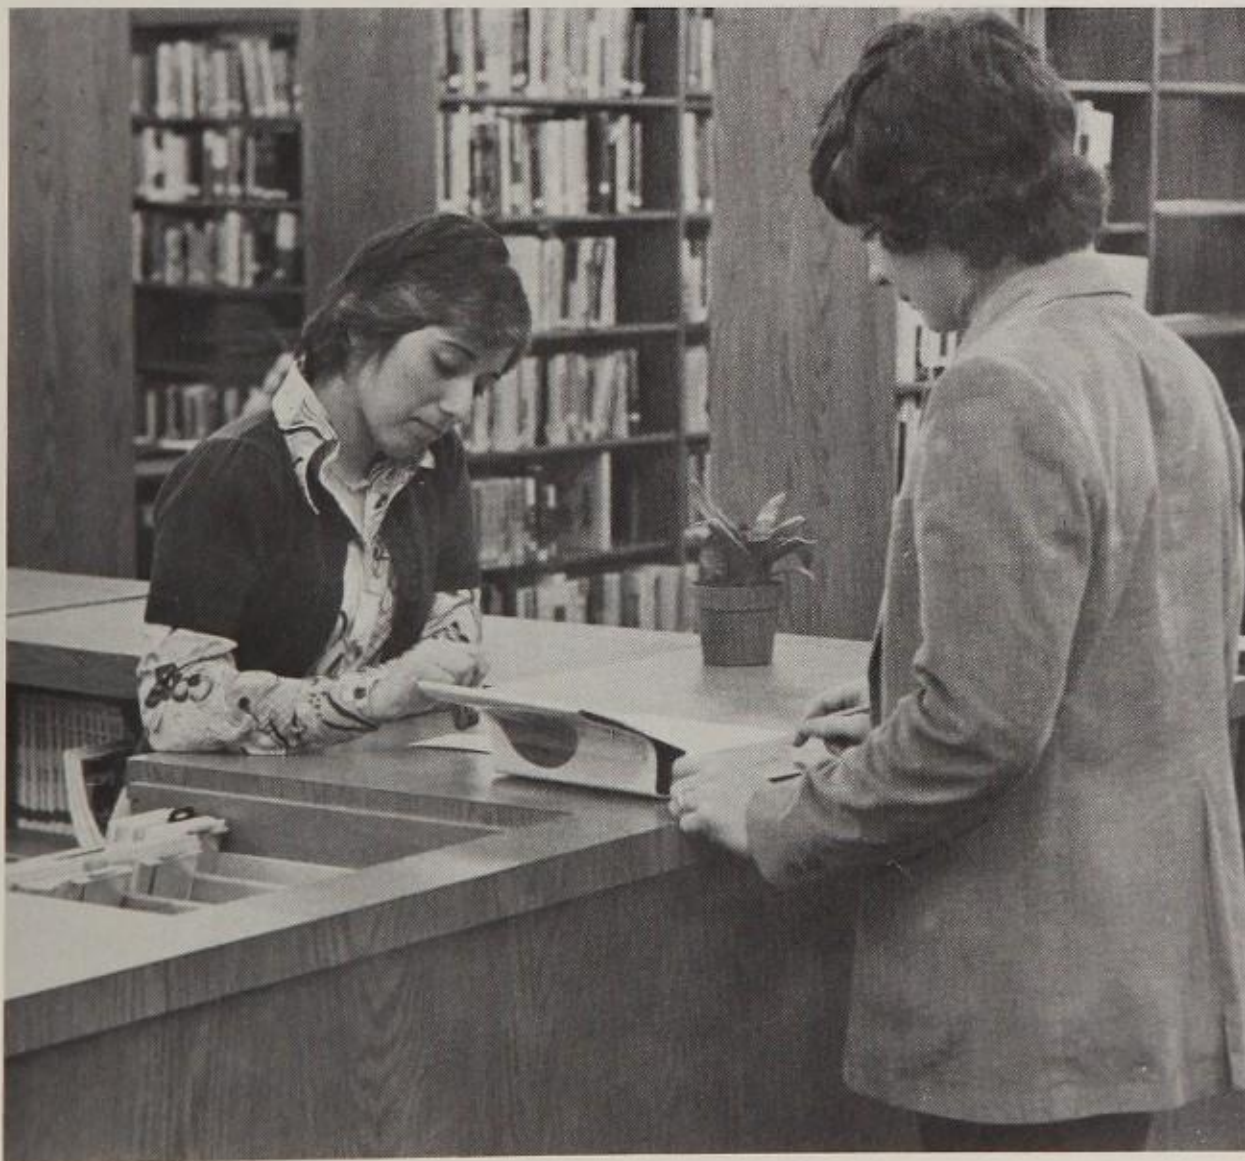

CD Students Devote Time to Helping Others

Last year's Service Club organized the "Saturday Project." They set up activities and played games with a group of exceptional children. The Red Cross aided the organization in their planning. This year they are repeating the same activity as well as heading a Red Cross blood drive.

The D-Club, our athletic service organization, raises money for extraordinary athletic equipment by running concession stands at athletic events. This year's purchase was a set of Porta-Pits for the track teams. They also sponsor and assist in the organization of special events such as the fall Alumni Reunion.

The library, teacher, and receptionist aides are new this year. They lessen the huge work load of Ms. Bluford and the receptionists, while the preschool and kindergarten children never get lost on the way to class.

The Students Of CD Enjoy Varied Clubs

The Archaeological dig, organized by Mr. Campbell and Mr. Harrison, was successful. Operating near 14 Mile Road and Franklin, the members collected Indian artifacts. This year's International Dinner was another profitable one, raising 800 dollars for the foreign student program. Three hundred people came to eat the many different kinds of foods prepared by the students and parents. The school's literary publication, the *Spectrum*, was supervised by Mrs. Hannett. The magazine was written, edited, and published by the students. The computer club, this year brought together by Mr. Morrow, taught all interested about the computer.

FAR LEFT: Mrs. Hannett, Milt Djuric, Kathy Keller, and David Grant work diligently to publish the *Spectrum*. ABOVE LEFT: John Summerville and Joe Harris have mixed emotions about their find. LEFT: The freshmen cannot seem to realize that it is impossible to contact Mr. Spock on the U.S.S. Enterprise.

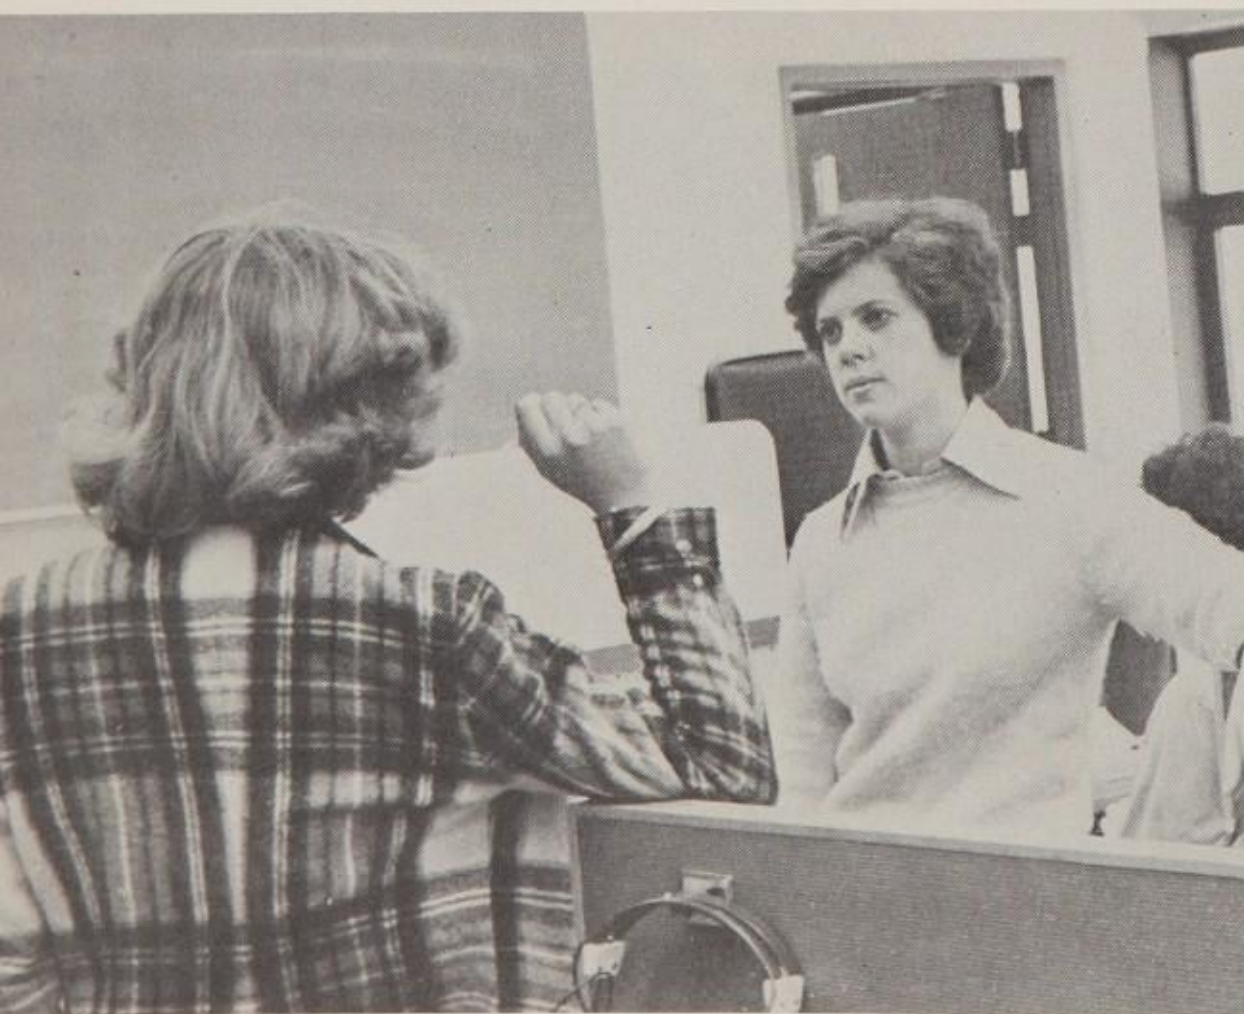

Our New Ideas Allow Change In Techniques

The 1976 Blue and Gold staff again was the hardest working group at school. Led by hard-working Chief Editor Andi Raar, the staff once again met its deadline. Under Mr. Gilbert's direction, they tried many new techniques. Milt Djuric served as Upper School Editor while Leslie Touma and Leah Dennis were Middle and Lower School Editors. Magdy Milad was Chief Photographer, Sue Bachman was Art Editor, Jim Rosenfeld was Sports Editor, and Kathy Keller was Business Manager. Many others helped to meet deadlines and the entire staff would like to thank all who showed cooperation.

The Photo Club, with Mr. Croy as advisor, began a promising photo contest. They also sold film and were instrumental in the darkroom maintenance.

Activities Provide Enjoyment

The Drama Club has taken on its most ambitious project this year, planning a production of the comedy, *Boy Meets Girl* by Bella and Samuel Spewack, for the spring. This play features an unusually large number of future stars of stage and screen such as Ron Shmyr, Peri Blum, Brad Laven, Stewart Henderson, and John Gargaro.

The Cinema Club brought to DCDS a number of first run movies, providing CD students a great opportunity to see excellent movies at very low cost. Films shown included *The Sting*, *American Graffiti*, and a James Bond thriller, *Casino Royale*. With the profits realized from the showings, the club hopes to continue to present fine film entertainment.

The Chess Club took great strides towards achieving respectability in its competition with other schools. In its league for the 2nd year, the club, bolstered by increased participation, and with the help of outstanding player Bob Zivian, hopes to improve its finish.

Young Baseball Team Has Hopes for '76

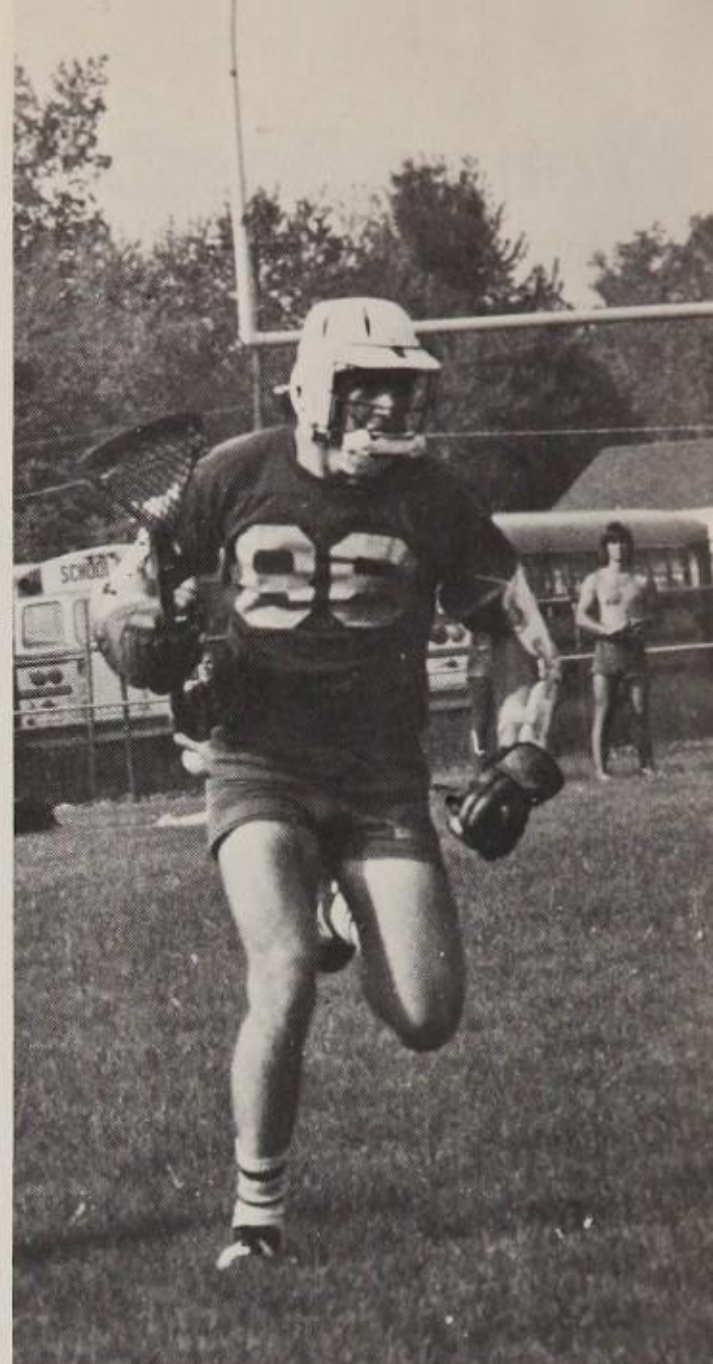

The Varsity Baseball Team had a disappointing season this year. However, because the team was a young one, next year's team promises to be a good one. Freshman Rob Silverstein led the team with a .326 batting average. His classmate Bill Gee also turned in a fine season hitting as the "lead-off" man. Tri-Captains Jim Boyle, Chuck Murphy, and Kevin Butterfield played key roles for the team. Boyle was the team's leading outfielder. Murphy, the catcher, did an admirable job in handling the young pitching staff, and Butterfield held down the short-stop position and was the infield leader. "Pod" Alexander led the team in RBI's and was the best pitcher on the ball club. Rounding out the club were sophomore Dave Tabashnik, a fine hitter and relief pitcher, freshman Mark Zobl, who held down the "hot-corner", Rob Guindi who covered the keystone sack, Mike Rhodes, Gary Gilyard, Howard Becer, and Jimmie Rosenfeld.

The JV's experienced a season of fun and improvement. Coach Croy had several fine players to work with. Ron Shmyr, John Summerville and Kurt Thomas all turned in super seasons.

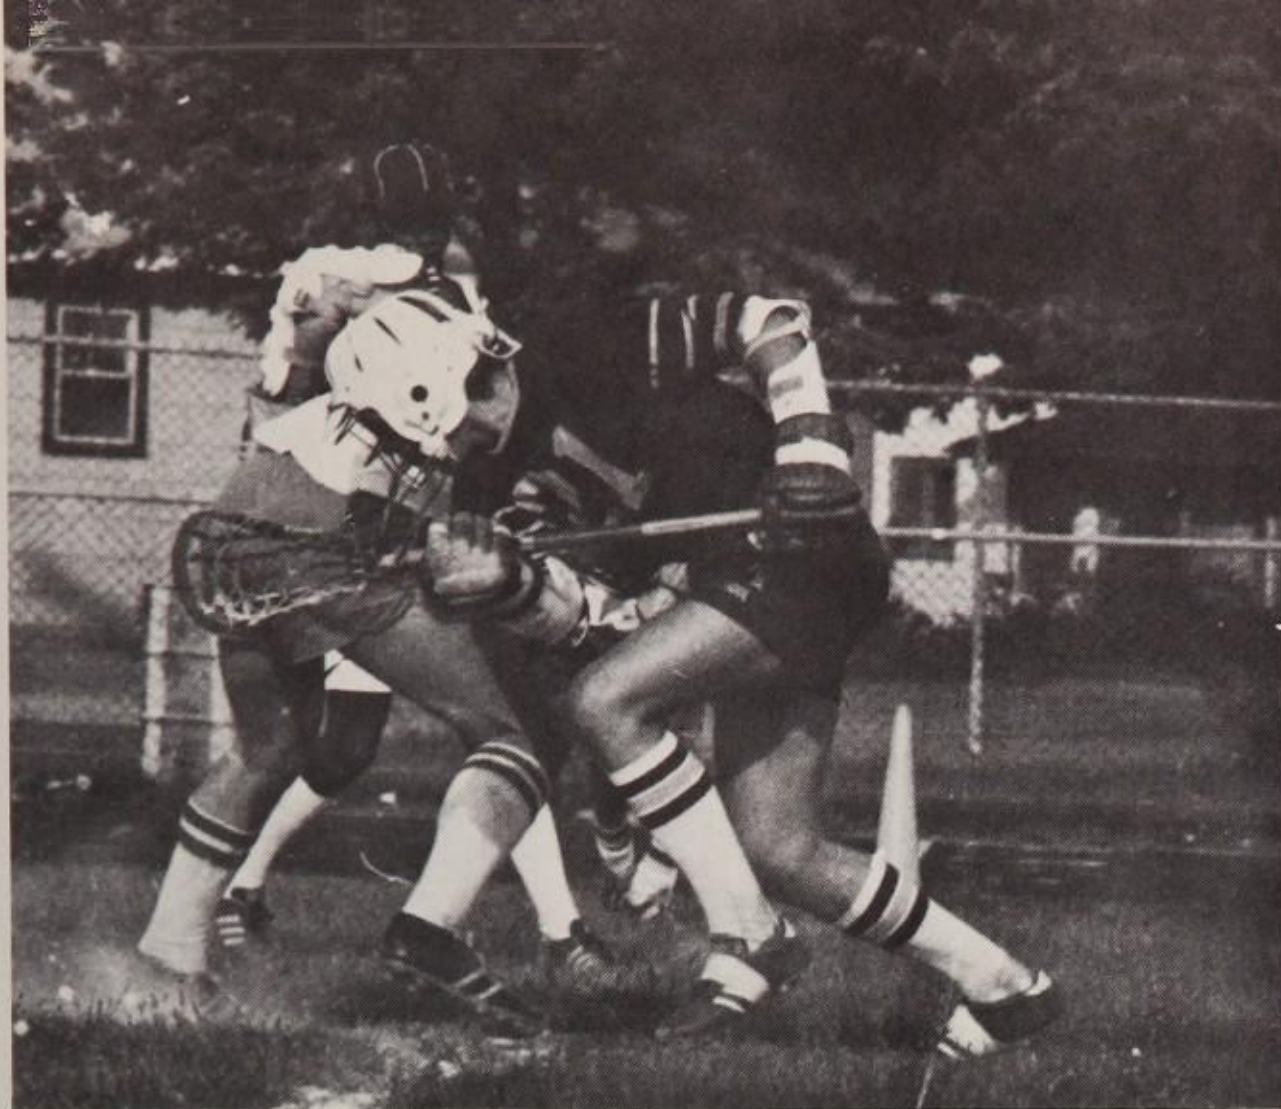

TOP: Rob "Beef" Guinda chomps down on some tobacco as he practices his battling technique. ABOVE: Placing the tag, third sacker Willie Mandel absorbs the collision caused by the slide of a hard-charging Harper Woods baserunner. RIGHT: A confused yearbook staff inquires, "Where's the ball, Ron?"

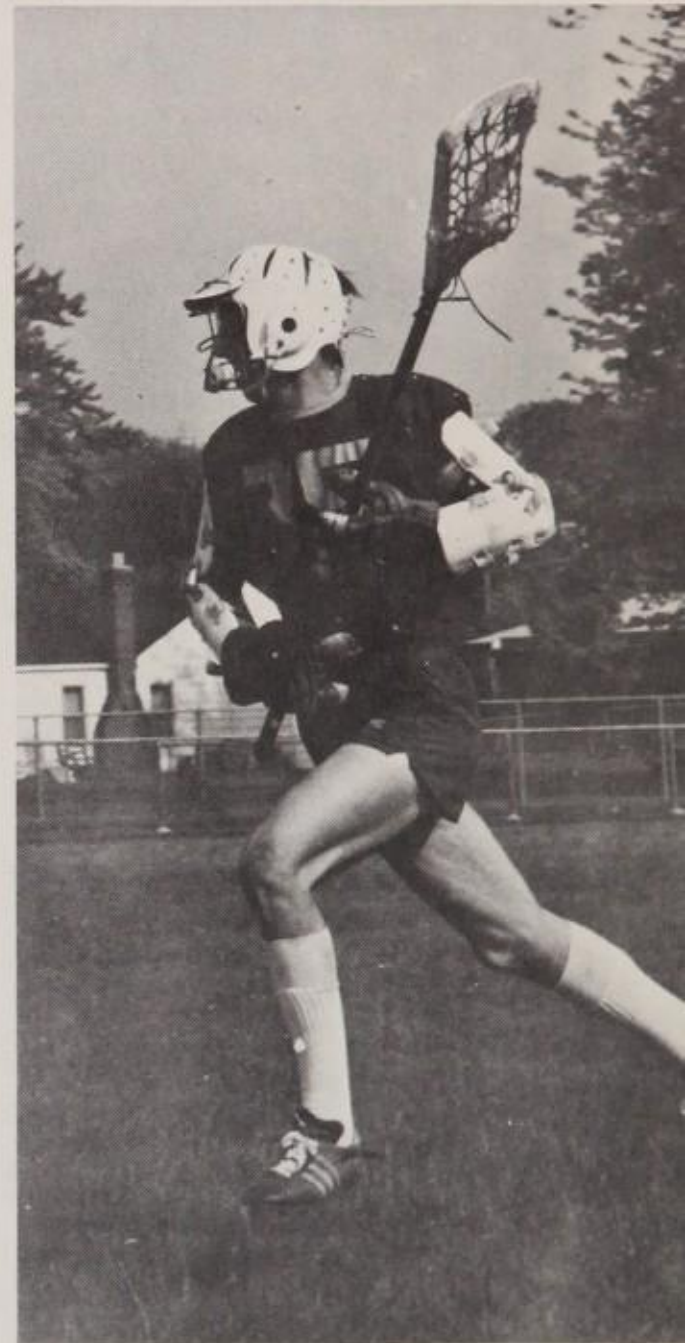

ABOVE: "I want you rumdums to help eachudder out," commands coach Gene Reilly as he peps up his stickmen. ABOVE RIGHT: "Nobody's going to stop me!" thinks a tight-lipped Jeff Matte as he cruises up the field. RIGHT: Marty Letts watches the face-off, anticipating which way "Brose" will pass the ball.

Lacrosse Slowed by Tough Schedule Paves Way to '76

The 1975 Lacrosse team had a rebuilding year. With a 3-6 record, the team, basically underclassmen, worked hard and developed their skills immensely. The highlights of the season were their victories over archrivals Cranbrook and Lake Ridge. The team was headed by Tri-Captains Marty Letts, Jeff Matte, and Burt McCandless. Letts led the team offense along with "Garbage" Zinn and Rob Ambrose while the defense was led by All-American McCandless, Matte, and Nosakowski. Pete Fisher tried his hand at tending goal and did a tremendous job. Much credit is given to the several rookies who contributed greatly in keeping the team close in the highly competitive games. The growing interest in Lacrosse provided for the addition of a JV team. The majority of the players will be returning for the 1976 season. They, along with Coach Gene Reilly and his new assistants, will work hard toward a winning season.

ABOVE LEFT: Rob Ambrose uses his muscle to battle for control of a key face-off against L'Anse Creuse. ABOVE: All-American Burt McCandless demonstrates his outstanding determination and ability as he "cradles" upfield. LEFT: "I just love to stick-handle!" says all-leaguer Jeff Matte as he once again controls the ball.

Success in the Present, Optimism for the Future

Men's track finished 3rd in the Metro Conference, led by the effort of departing seniors, Dave Merritt and Mike Young. Despite a mediocre record in regular meets, the team fared well in the larger meets, placing near the top at Marysville and in the regionals.

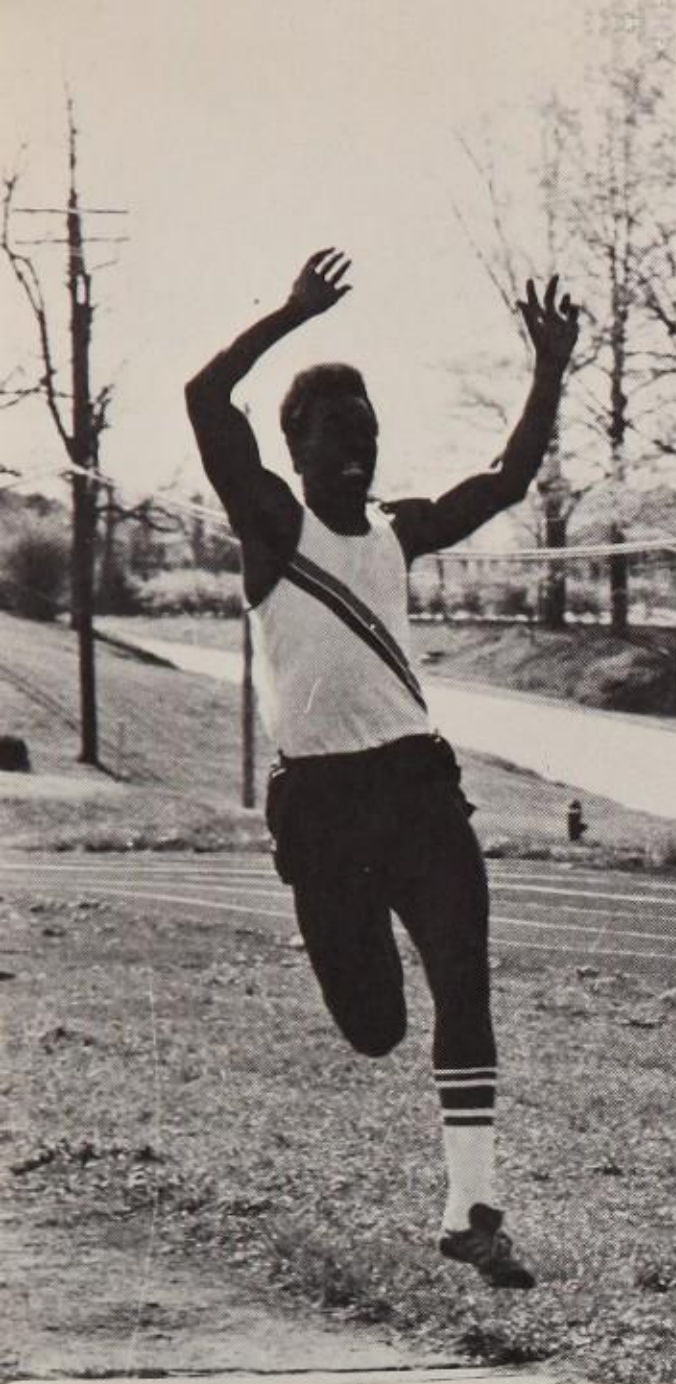

In the state, the team finished 6th, with Merritt taking two firsts in the hurdles and the long jump, while Young set a state record in the high jump at 6'5", placing 2nd.

The women's track team had another outstanding record, 8-1, and a good showing at the state meet. Outstanding members of the team were mile relayers, Captain Judy Nagy, Mary Riley, Anita Flynn, and Pat Jensen, plus S. Shapiro, R. Edwards, and C. Williamson.

ABOVE: The mile relay team of Jensen, Flynn, Riley, and Nagy, which placed 2nd in the regional, was full of talent, as Nagy and Jensen were also fine shotputters. RIGHT: Rick Litwin "gets into one" as he tries to go over 50 feet.

LEFT: No one can deny that Merritt's merits merit merits, and this shot catches him demonstrating his state championship form in the long jump. BELOW: Two of the outstanding middle-distance men on the team, Chris Yelder and Gene Williams, execute a perfect hand-off.

Devoted Tennis Players See More In Upcoming Seasons

The youthful Country Day Tennis squad entered the 1975 season with hopeful expectations of a successful season and a productive state tournament. Coaches Wes Richards Jr. and Wes Richards Sr. had only to worry about Country Day's strongest rivals Cranbrook and Liggett. The Cranes' unusually potent team proved to be out of reach, but the confrontations with Liggett unmasked the blooming potential of Country Day's contenders. There were many even matches in the highly emotional battles, but in the end, Liggett held the upper hand. Most of the remaining matches only served as stepping stones to the approaching state tournament, as the lack of willing competition in the area hampered serious involvement. As a result of this void in willing competition, the team was never threatened by any other teams.

In the Class C state tournament the young team rose to form and finished second, with John Neville and Jeff Collins grabbing the doubles championship and with Mark Mollison bowing out in the semis. The JV's, under Coach Norm Brault, improved greatly. Neal Krasnik and Jim Cook were particularly outstanding. Next year may be a banner one!

Women's Lacrosse Squad Tastes Success

The Women's Lacrosse team enjoyed a much improved season last year. All their competitive games were kept close and due to great enthusiasm and much effort, they defeated Kingswood in their final game. Captain Jo Farquhar, Kathy Keller, and Julie King were key players on offense. Jo was the team's center and managed to win the face-off more times than not. Also, rookie Kathy Keller managed to score several goals. Captain Leslie Touma, Andi Raar, and goalie Sue Fincham were standouts on defense. Andi Raar made an exceptional play during the Kingswood game. She was able to score while on defense with her eyes closed. Sue Fincham had another super season as goalie. The Lacrosse team looks forward to winning more games this season.

Young Team Takes Great Strides for Future

The 1975 Varsity Football Team was a very young one. There were only eight seniors on the team. Though the season was not great, the team showed a lot of spirit and much promise for the future. The two traditional rivalries, Cranbrook and Liggett, were once again exciting games. In the Cranbrook game, at which the student support was terrific, the Jacket gridders outplayed the Cranes, yet lost a heartbreaker in the fourth quarter. The Liggett game, played on Alumni Day, was dedicated to F. Alden Shaw by the student body and the Football team. Of course, we won! This allowed us to keep the silver cup in the trophy case for another year.

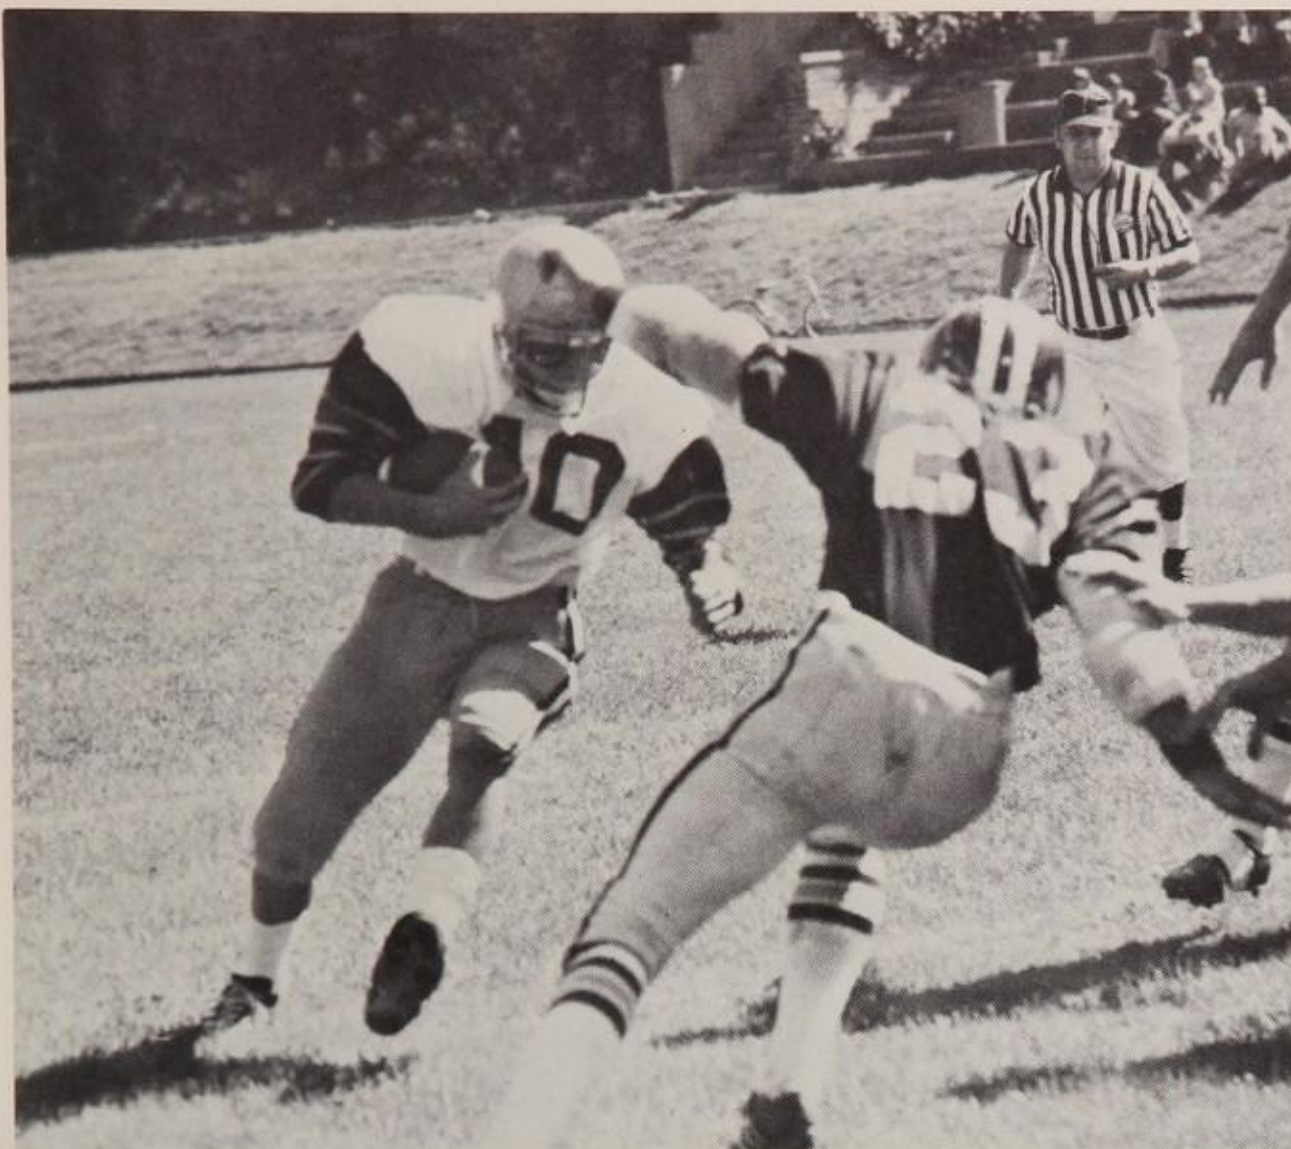

Selected to the All-League teams were Co-Captains David Payne and Gary Gilyard, senior Chuck McSwain, juniors Ron Shmyr, Steve Horwitz, Chris Yelder, and Jim Rosenfeld, and sophomores Rob Ambrose and Jeff Johnston. Payne, Rosenfeld, and Yelder were also tabbed for All-State mention.

The JV's had a season of improvement. Led by Rob Silverstein, Rodney Gilbert and Jim Lemle, they won their last four games. Coaches Chapman and Hanson were happy with the progress made throughout the year.

TOP RIGHT: Gary Gilyard appears to be triple-teamed as the CD defense attempts to stop the Cranes from scoring. RIGHT: A versatile Jim Lemle barely gets a "boomer" off in the JV game against Liggett. ABOVE: Jeff Johnston and Lusty Horwitz crush the Cranbrook runner in a sandwich.

TOP LEFT: Jimmie Rosenfeld charges around the end and down toward the Cranbrook goal line. ABOVE: Number 66, Dave Phillips shows his technique by "ripping" through his opponent from Liggett. Could there be a better target? BELOW: Ron Ambrose decides to keep the ball and take chances against the Cranbrook defense, while Daryl Saylor attempts to ambush the opposition.

Soccer Team Continues Its Winning Ways

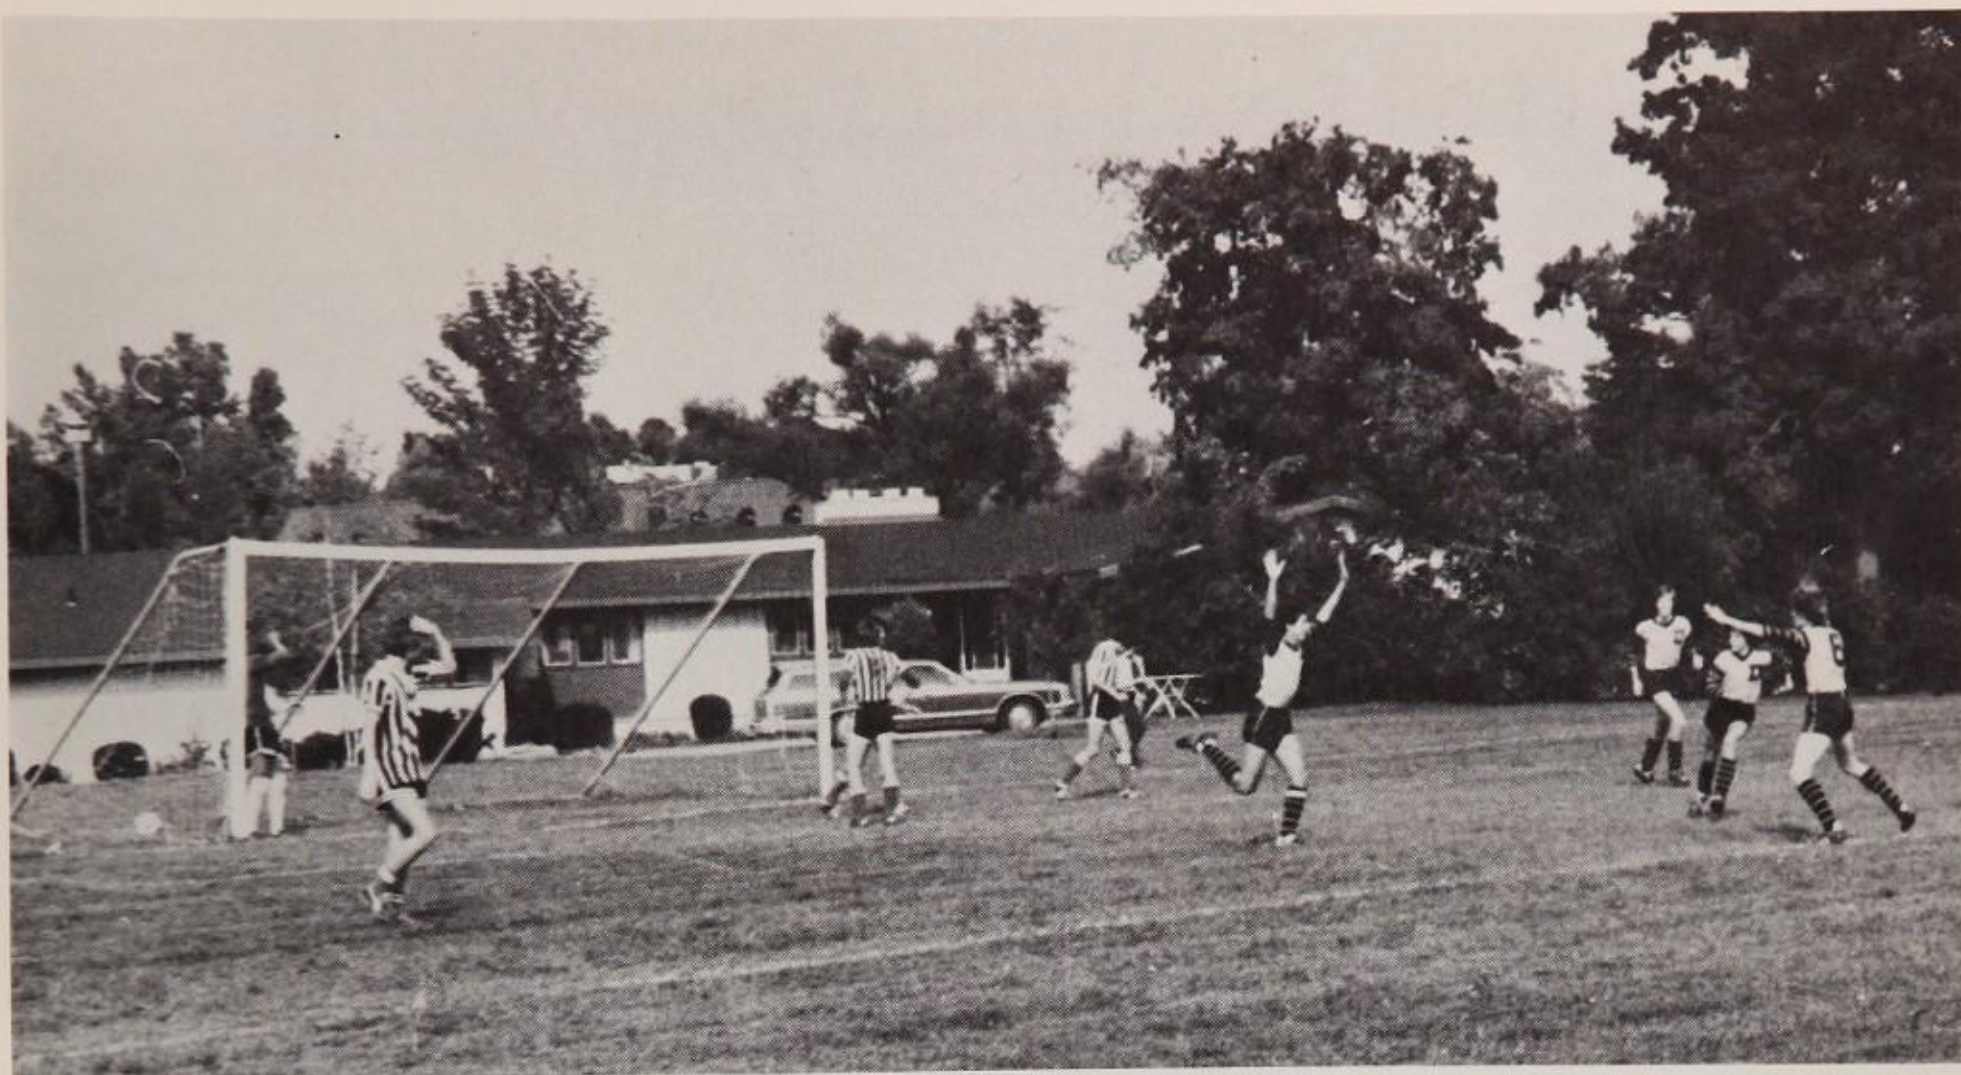

Under the guidance of experienced coach Neil Rust, the Varsity Soccer team finished the 1975 season with a laudable 16-6-4 record. An offense led by All-Midwest forward "Beef" Guindi, who scored a league record 29 goals, and a tenacious defense headed by fullbacks Bill Meek and Rob Reynolds and All-State halfback Tom Gilbert made CD an opponent to be reckoned with. The team, competing mainly against Class A schools, was a serious contender throughout the season for the championship of the finest soccer league in the Midwest. Only one-goal losses in three crucial late season games kept the team out of first place. Although the squad is graduating eight starters, a great deal of young talent promises more winning seasons in the years to come. Freshman soccer had one of its best seasons ever, and the JV team compiled a respectable record.

The success in the last few years of our program is due primarily to the unselfish efforts of head coach Neil Rust, who retired this year at the end of his seventh winning season.

Women's Fall Sports Post Future Victories

ABOVE: The opponent (not pictured) cringes in terror as Silvia Acosta prepares to unleash one of her powerful serves. RIGHT: Romaine Hollis, after having moved quickly to her right, steps into her "stroke."

The Field Hockey team enjoyed their most successful season this year, defeating both Kingswood and Liggett for the first time. The team showed marked improvement over the play of past years. The leading goal scorer was Capt. Leslie Touma. Other outstanding seniors were Capt. Sue Bachman, Andi Raar, and Cheryl Williamson. Lori Edwards and Judy Nagy both had excellent first years, and goalie Sue Fincham was the backbone of the defense.

The Women's Tennis team had an excellent second year in competition. Capt. Kathy Keller, Meredith Lindsay, and Marie Snyder all made good showings in the regionals. Lindsay received the "Most Valuable Player" award and Michele Touma received the "Most Improved Player" award, leaving the team with great promise for next year.

The DCD Golf Team Make's Great Return!

For the first time since the 1960's, DCDS fielded a varsity golf team. Coached by Jerry Hansen, the team accumulated a fine record against their new-found opponents. Led by All-Stater Glen Alexander, the young team cruised to a 7-2 record. The highlight of the regular season was the Oak Park Invitational. Playing a best ball format, Alexander shot a fine 66 while leading the team to victory by one stroke. Four members of the team headed for Adrian and took the regional title by one stroke. Despite the 35 degree weather and heavy winds, Junior Alexander once again came through in the clutch at the state tournament in Saugatuck. He recorded the lowest round in the state, a 75. This super score allowed the Jackets to beat their nearest competitors by 7 shots, winning only the second state championship in the history of the school. Future prospects look good in 1976.

The X-Country Team Improves With Time

There appears to be a significant growth of interest at CD in regards to the Cross Country team, as more runners joined the team than ever before. Nearly thirty participants, both men and women, competed in the 1975 season that produced both valuable experiences and impressive victories. The team struggled through high and low plateaus during the season but laid the foundation for years to come. In the last meet of the season, the team scored a stunning victory over its archrival, Liggett, by one point which gave the season its touch of class. The women's team attended the State Class C Finals and returned with the first place trophy, giving Coach Jurkiewicz something tangible to show for his efforts. Optimism looms about the Cross Country trek with a distinct hope for victories in the future.

Varsity & JV Cagers Gain Fewer Victories, But Show Their Effort, Pride, and Dedication

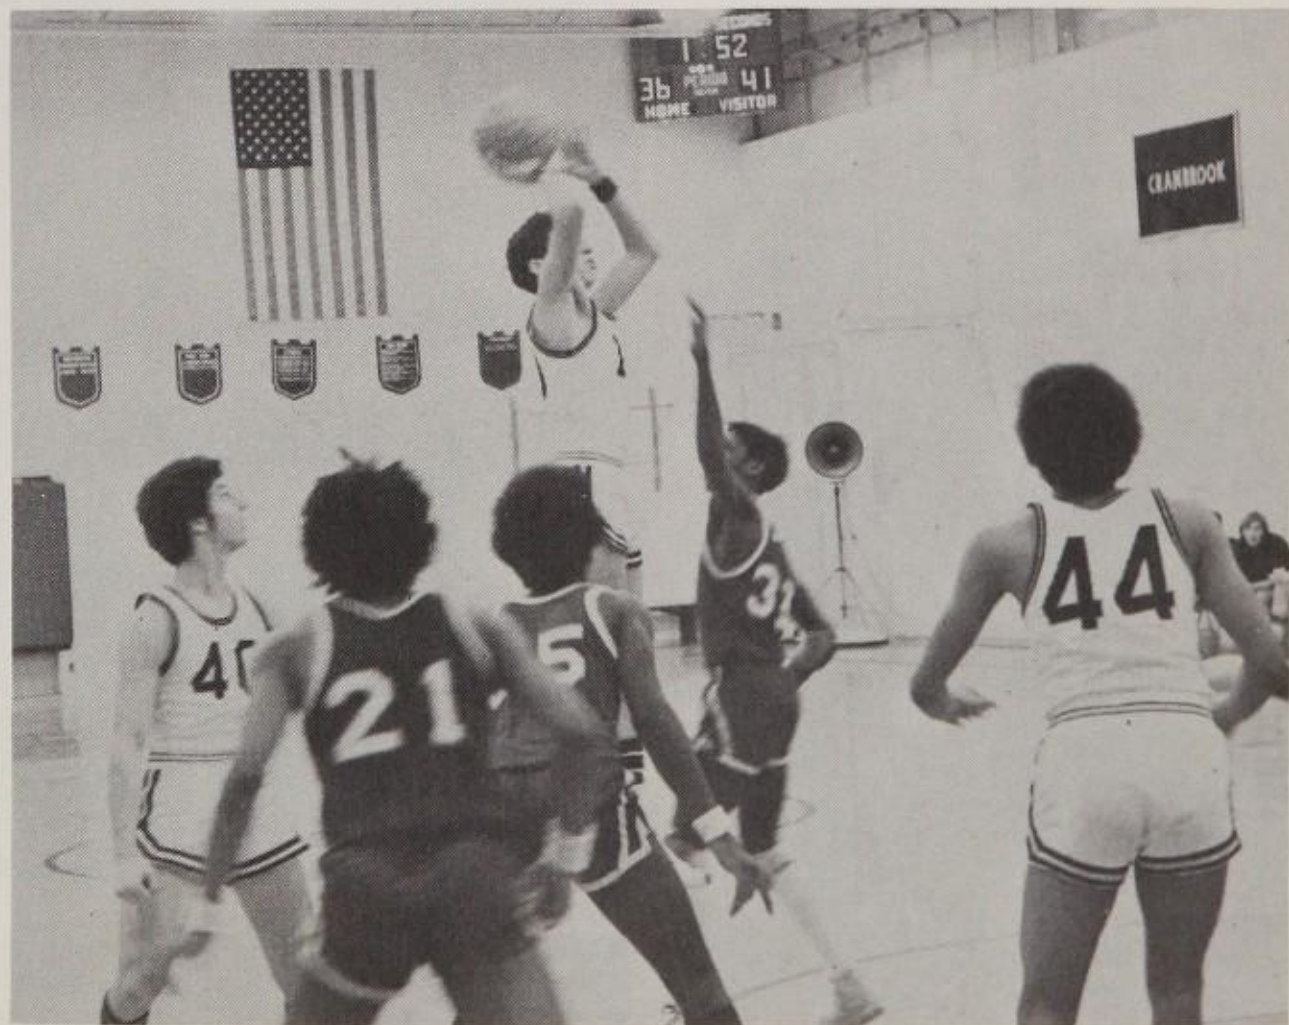

Under Coach John Hannett, the Basketball teams at CD have been among the powers in the area. However, this season, due to a lack of experience and a few bad breaks, the Varsity Basketball team didn't fare as well as those of the past. Even so, Bob Guindi and Chris Yelder took up most of the scoring slack for the team which had lost five seniors from the year before. The highlights of the season were the continuing of the dominance over Liggett with home and home victories, and a first-time-in-history victory at Hamtramck's "band-box" gymnasium. Although the team record did not quite reach 500, the team's accomplishments were not reflected in their statistics since they lost 6 games by 5 points or less. Next year, though the team will be losing two fine Seniors, Capt. Bob Guindi and Center Mike Rhodes, the team should be up to its usual standards.

Coach Chapman's JV's also had a tough season. However, they did manage to put together some fine ball games while developing many future varsity players. Led by Rodney Gilbert and Brian Varnum, the team showed that there is a real future for basketball at CD.

Hard Workers On CD Team Set Records

The Country Day Varsity Swimming team, led by Co-Captains Roxanne Russell and Paul Sherman, enjoyed the most productive season in its short history.

Paced by freshman Jeff Taylor, who raced to three school records, the hard work and dedication of each team member resulted in three other new school records and twenty-three lifetime bests.

Despite the loss of four senior participants, the team will continue to aim for state qualifying times. Because of this year's improvement and individual progress, the coach eagerly awaits the ceremonial victory toss in the pool and Country Day's first state qualifiers in swimming.

Ski Team Skis Over Bad Ice During Winter

Except for a few veterans, the Country Day Ski team consisted of many first-time racers. Under Coach Chuck Croy's supervision, and led by Captains David Koppin and Brian Barr, the team progressed greatly in their abilities. One particularly good performance was by John Levin who took a 16th place in the Divisional meet. Jim Shaya's enlightening lunch announcements kept the student body continually aware of the team's presence. He announced each day's form of transportation to the slopes: rickshaw, camel, subway, helicopter, or the conventional bus. The team is looking forward to the coming ski season.

Women's Sports Are New Center of Interest

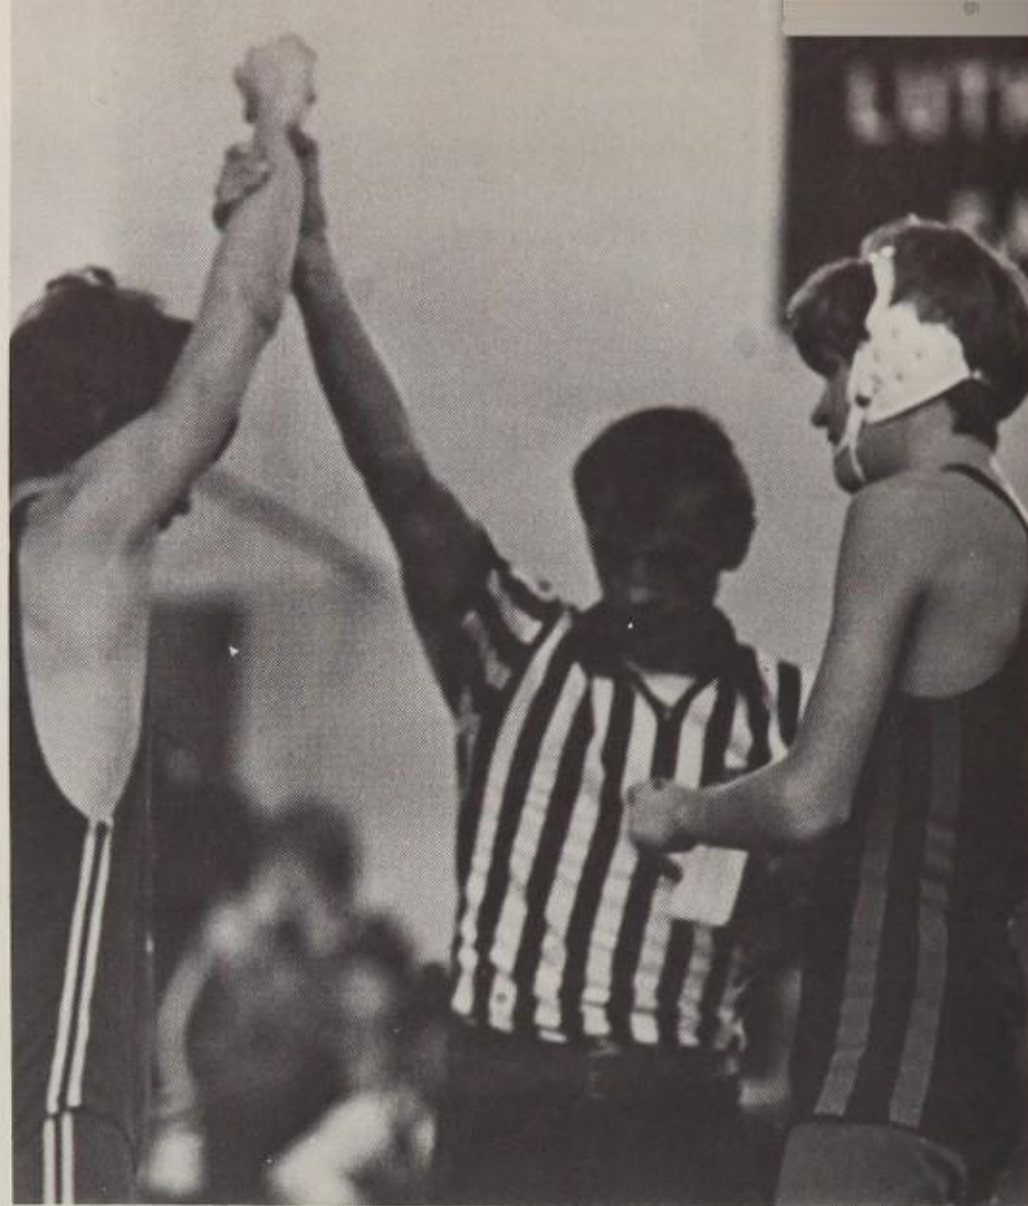

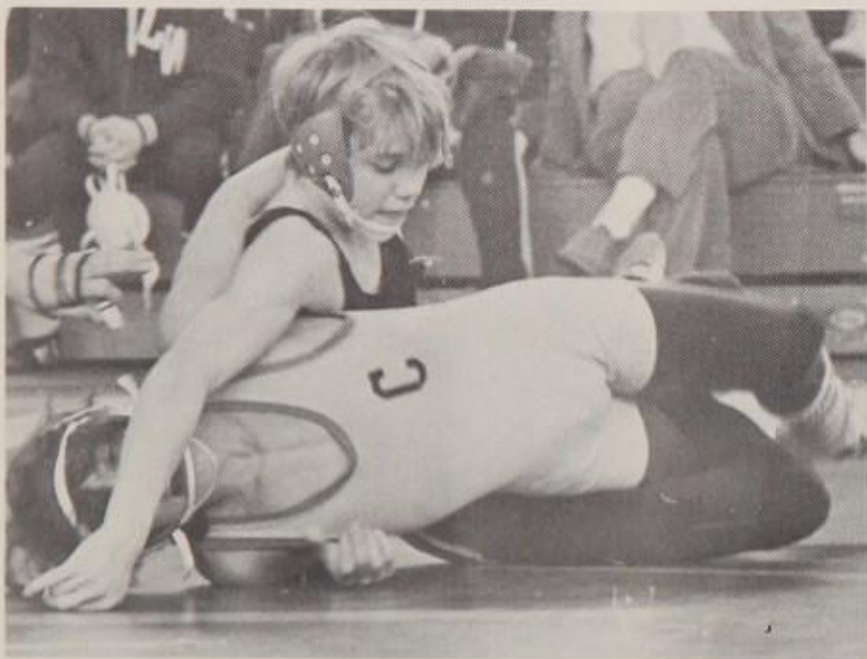

This year was the first year CD had women's basketball. The teams were coached by Roberta Righter. The season was difficult in that many of the girls had never played the game before and found themselves facing experienced teams. The team showed marked improvement as the season progressed. The girls were not discouraged and always put out their best effort both in practice and in games. Because there were no seniors on the team, there are great hopes for next year.

The Volleyball team enjoyed another successful season this year. Benefits from extended practices were evidenced as the team posted a 6-7 record. Judy Nagy and Micki Ferris kept the team moving with their fine setting and blocking. Captains Kathy Katz and Pat Jensen provided good experience and court-knowledge. By their play, freshmen Marie Snyder and Lori Edwards proved that they would be the backbones of next year's team which includes eight returning varsity players.

ABOVE LEFT: Pat Jensen "spikes" the ball.

Wrestlers Have a Much Improved Year

The Wrestling team had another respectable season this year. Captains David Payne and Steve Modell set the pace as both qualified for the regional meet with records of 29-7-1 and 18-6-3 respectively. Many sophomores such as Paul Clark, Mark Zobl, Larry Webb, Mike Matthies, and Roland Frohman demonstrated that they have bright futures. After a successful journey to the districts, Paul Clark and David Payne went to the states, but due to illness they did not do as well as expected.

The small group of JV wrestlers fought their way to a semi-successful, exciting and fun season in the sport.

Hockey Team Earns a Title of Excellence

Under the fine leadership of the "silver fox", Mr. Harry LaPointe, the '75-'76 varsity Hockey team again had a very successful season, finishing the regular schedule with a fine 21-2-1 record. They were consistently rated in the top ten teams in the state, the highlight of the season being an impressive 4-2 upset win over #1 rated Trenton. The team looked forward to the state playoffs with the hope of bringing the state championship crown to Country Day.

Cheerleaders Lift Team Pride With Unending School Spirit

The 1976 Varsity Cheerleaders rallied again for both fall and winter sports. Returning were Kim Holt, Roxanne Russell, Jan Stulberg, and Linda Angell. Under the guidance of Mrs. Gwizdala and the watchful eye of Mr. Reilly, they worked to build a squad for the football and soccer teams. Others on the cheer squad were Tina Warpup, Sue Frent, and Vicki Kirschner.

The winter squad expanded to nine cheerleaders, making the largest varsity squad in the school's history. Newcomers included Sue Pullum, Silvia Acosta, Meredith Lindsay, Aimee Sutherland, and Romaine Hollis. The winter cheerleaders cheered the basketball teams on to victory but were often shorthanded due to injuries and illness. Composed of mainly underclassmen, the cheerleaders look forward to an excellent program next year.

ABOVE LEFT: Former teacher Mrs. Gerry Maxson, Dr. Schlegel and Assistant Headmaster Emeritus Paul Phillips chat with Mrs. Stepan. LEFT: For an in-service training day the faculty visited Oakland Schools Center. TOP: "Hi there, buddy!" Need we add that it's Mr. Jerry Hansen? ABOVE: We flopped, or "What kind of gum do you chew, Mr. Croy? OMMAHW?"

Mr. Shaw Hands Diplomas To Fiftieth Graduating Class

When Headmaster Emeritus F. Alden Shaw celebrated his 90th birthday last winter, the entire school came forward, not only to honor his 62 years of service to Country Day, but also to recognize his indomitable spirit. He was limping ever so slightly at the Middle School birthday party and admitted apologetically that he had fallen off his tractor just a few days before! The class of '76 will be the fiftieth group of Seniors to receive its diplomas from Mr. Shaw without his ever missing a commencement.

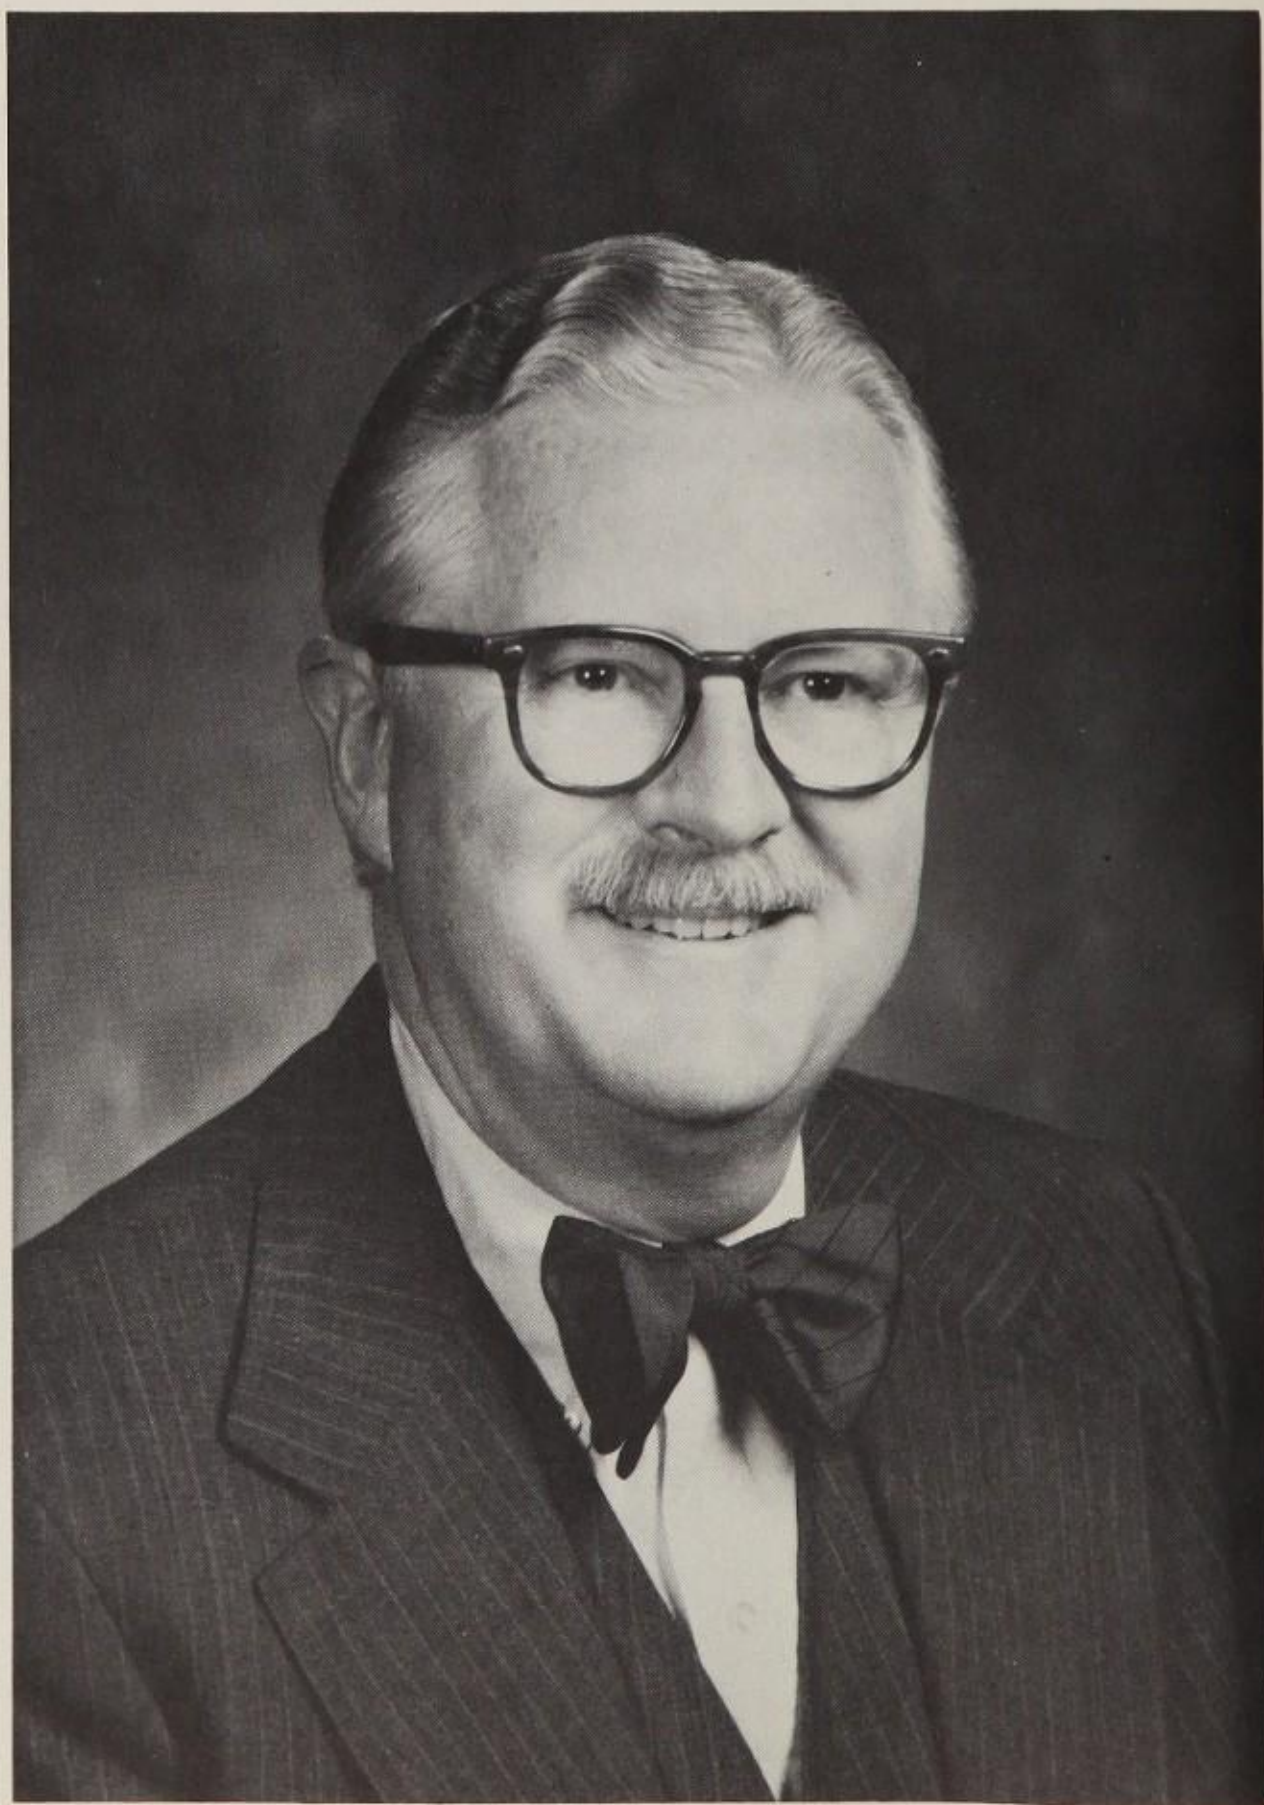

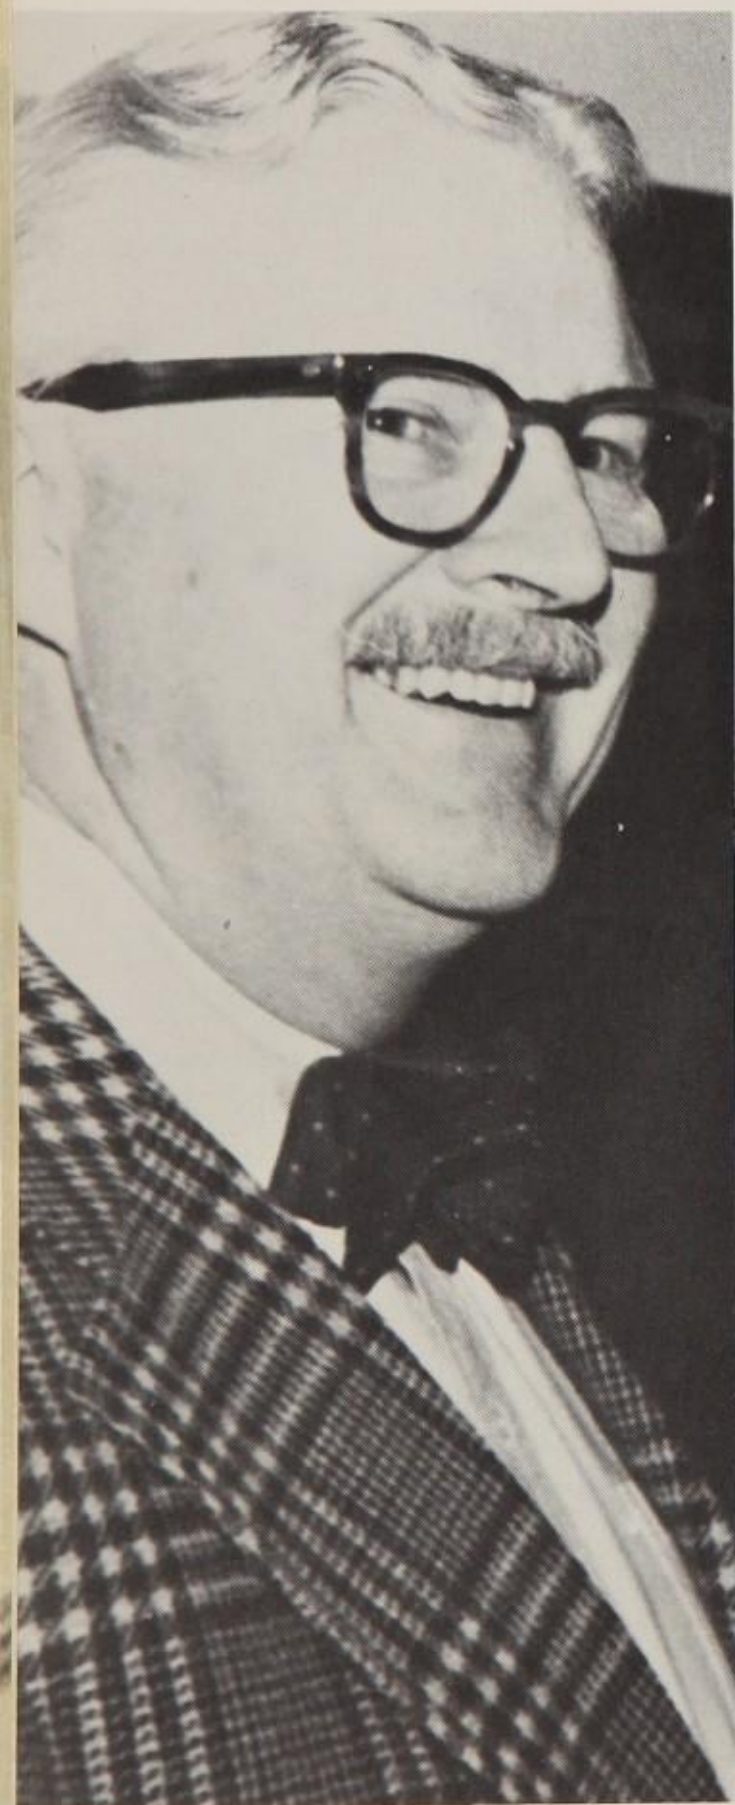

TOP LEFT: Mr. Shaw is still an active member of the faculty and comes in each Fall to teach a course in philosophy. ABOVE: Both the Middle School and the Upper School students enjoyed Mr. Shaw's collection talk, describing Country Day in its infancy. LEFT: "Hello, this is F. Alden Shaw speaking." "It couldn't be; I'm 70 years old." Thus began the phone conversation between Mr. Shaw and George Booth, one of the original four boys when Country Day was founded. The two enjoyed a reunion this Fall at the school.

One of the few things which could make the Headmaster smile this broadly is at least a million dollar grant from a foundation willing to underwrite some of the school's budget for which he is directly responsible to the board.

RICHARD A. SCHLEGEL

President - Headmaster

Haverford College, B.A.; University of Pennsylvania, M.A.; Albion College, LL.D.

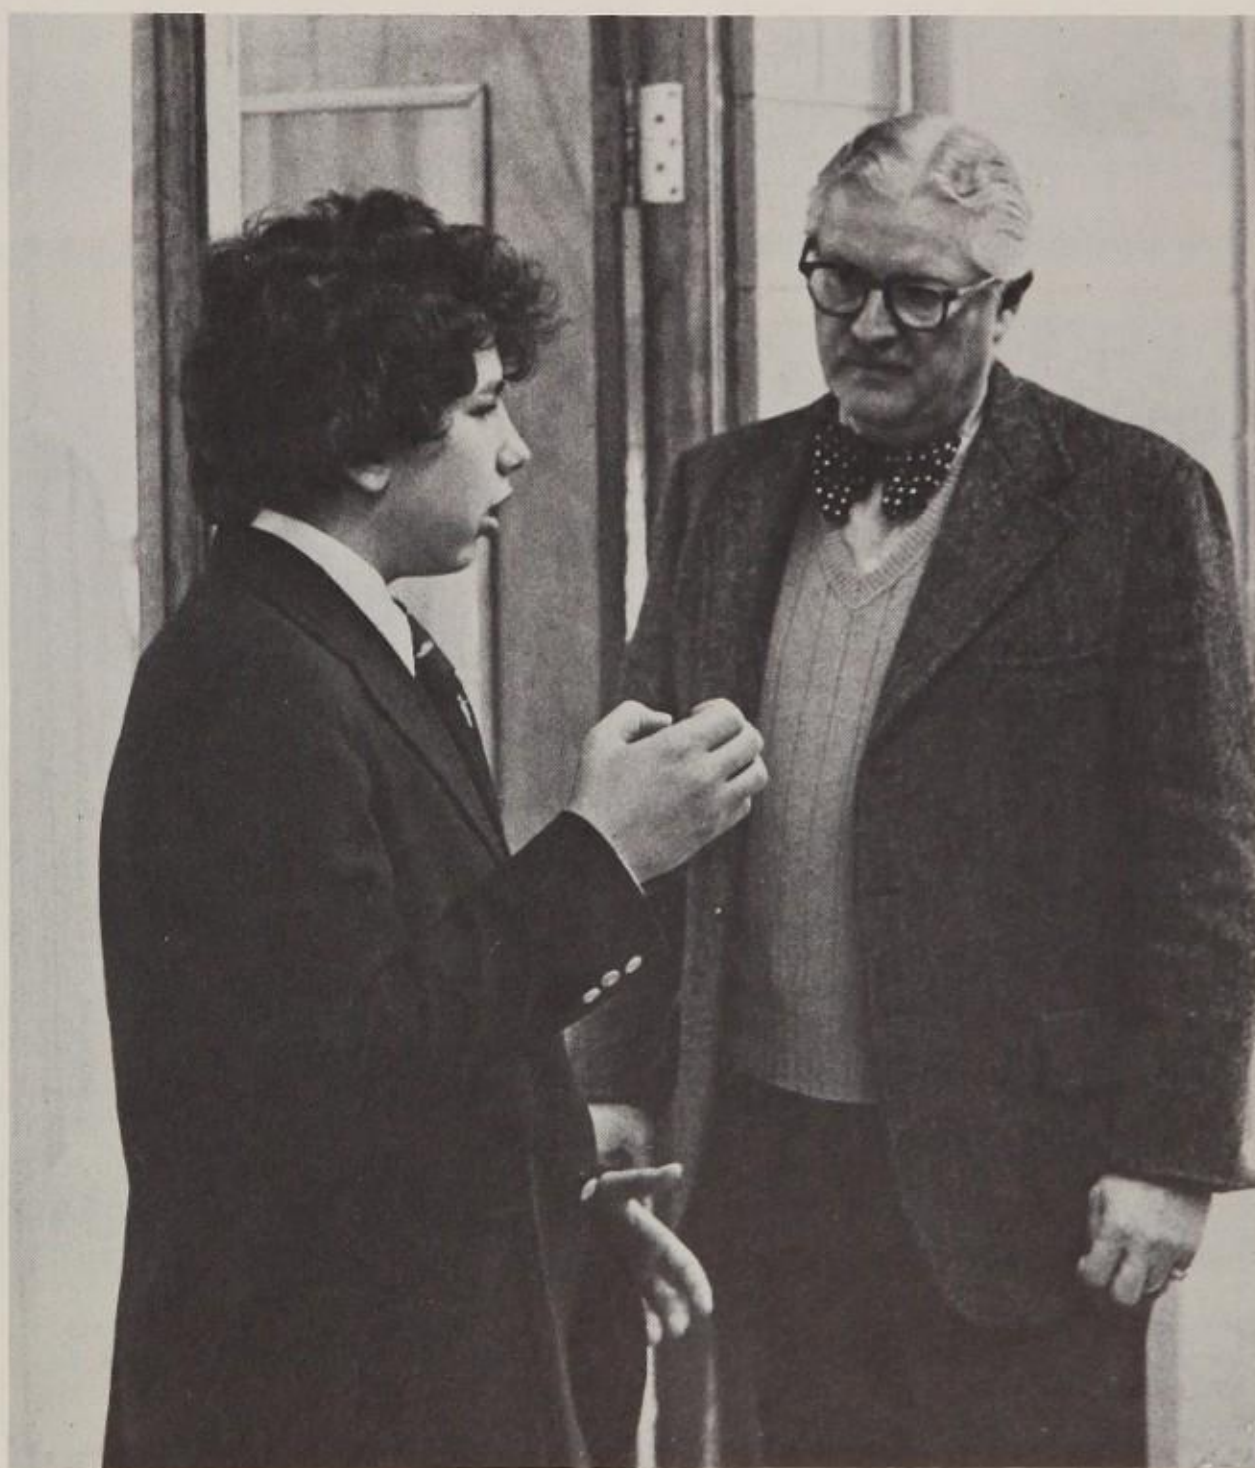

Both Dr. and Mrs. Schlegel are one hundred percent behind the fine arts program at Country Day and are the driving force behind the Foreign Student program. Coincidentally, they both have birthdays on the same day, which was a good excuse for a party at lunch. His experience in television producing before coming to Country Day came in handy for the Channel 56 broadcast.

Past Blue and Gold Volumes Recall the Man and the Job

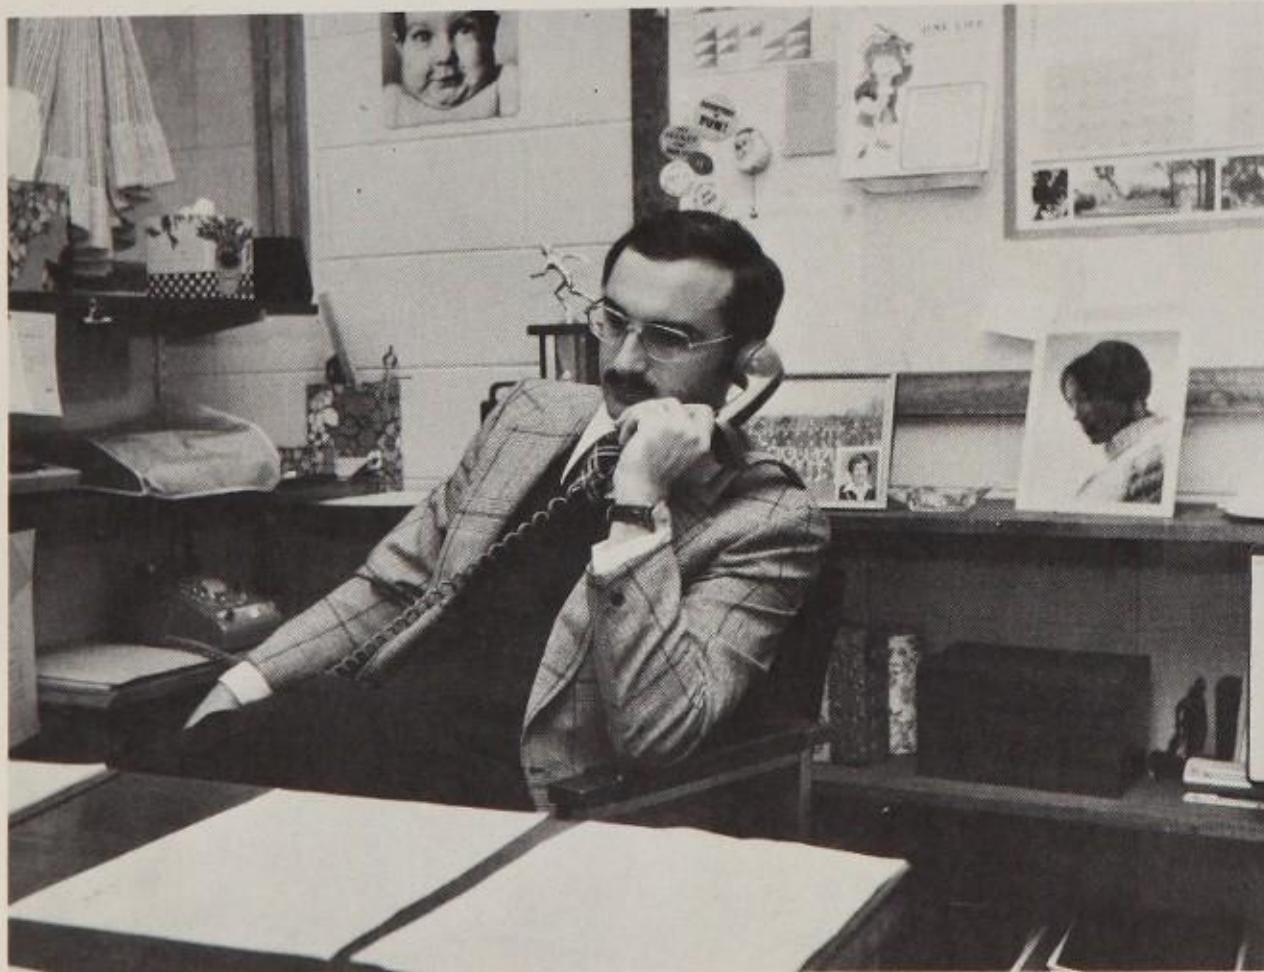

"The Board of Trustees announced the appointment of Mr. Richard A. Schlegel as Headmaster on March 1, 1967." He previously served for one and one half years as Assistant Headmaster. For three years, under the rubric "From the Headmaster's Desk," he wrote of the problems facing our age and described his personal, essentially humanistic philosophy. We reported his many school duties as teacher, student advisor, financial prognosticator, and shaper of school philosophy. "Spare time? The Headmaster doesn't know the meaning of the word" was our lead in 1975. In last year's publication we described Dr. and Mrs. Schlegel as the "mainspring" of the school. Much has changed in ten years; the man has grown with the job.

Small was never this wide.

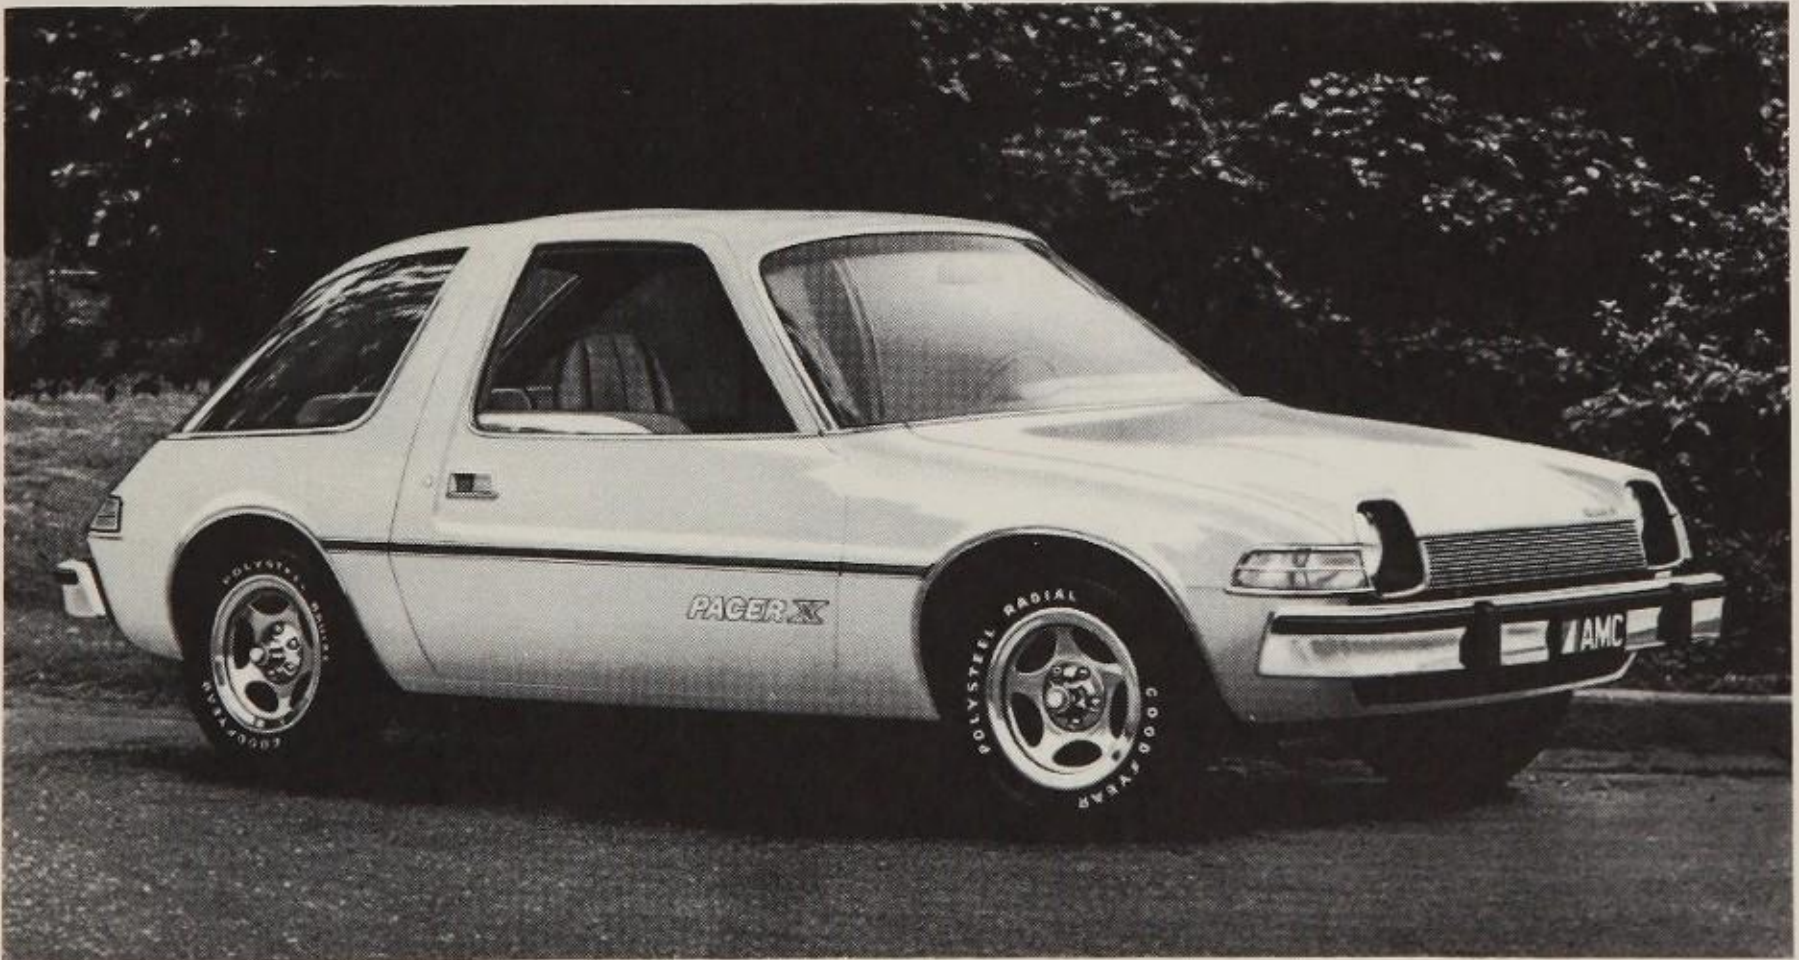

No other small car is as wide as our Pacer.
So naturally, you get an unusual amount of room.
And since it's wider — and has a unique isolated
suspension system — the Pacer gives you an incredibly
smooth and stable ride.

The Pacer has doors that are exceptionally wide.
With a passenger door that's even wider than the driver's.
So you can get in and out of the back that much easier.

(The Pacer also comes with AMC's proven
6-cylinder engine and a 22-gallon gas tank. Which means
you get outstanding performance, excellent economy
and long-distance driving range.)*

Last but by no means least, the AMC Pacer, the
first wide small car, is covered by the wide coverage:
AMC's exclusive BUYER PROTECTION PLAN.®

AMC Pacer The first wide small car.

*BUYER PROTECTION PLAN is reg. U.S. Pat. and Tm Off.
*EPA ESTIMATED MPG: 31 HIGHWAY, 20 CITY, FOR OPTIONAL 258 CID 6 AND OPTIONAL

1976.

A new world of cars awaits you from General Motors.

If you haven't been in the new-car market for the past few years, get ready for some dramatically different automobiles from GM. You have an array of new smaller models to choose from, ranging from sub-compact models like Chevrolet's new Chevette to the new international-size Seville from Cadillac. In fact, since 1972 — the year before the energy crisis hit — the number of smaller car offerings from GM has more than doubled.

What's more, GM has also been in the forefront by offering such things as the catalytic converter, smaller displacement engines, our High Energy Ignition and electronic fuel injection.

So do yourself a favor. If you've been out of the new-car market for several years, stop by your Chevrolet, Pontiac, Oldsmobile, Buick or Cadillac dealer's soon.

And get acquainted with a new world of cars from GM.

We want you to
drive what you like
and like what you drive.

***Dreams are
something you
wake up from.***

Even the most beautiful dreams. And when you do wake up, and if your dreams mean enough to you, you start doing something about them. You plan, work, study, do whatever is required to make your dreams come true. By trying to realize dreams, you learn a lot about realities. And a lot about you. How you handle people and situations. How to best get where you're going . . . whether it's through college, with a skill or trade or on a tramp

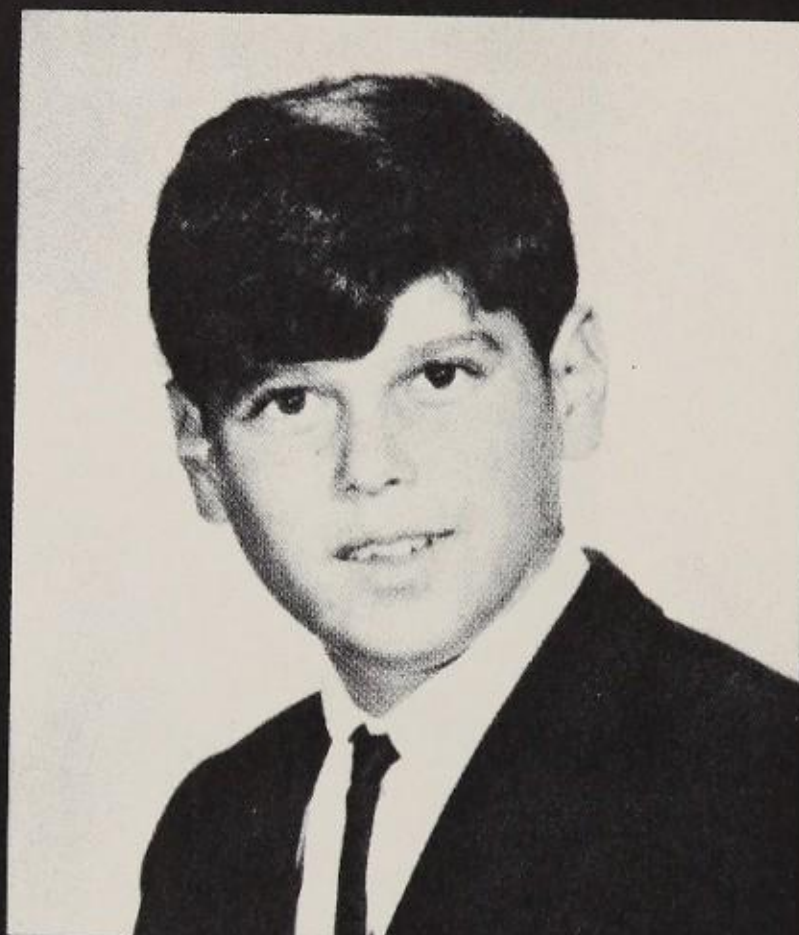

steamer headed for the Orient. Wherever your dreams take you, and whatever those dreams may be, we wish you every success in achieving them. Because if there's anything more beautiful than someone's dreams, it's seeing those dreams really happen. Best wishes. The Bendix Corporation. A worldwide corporation serving the automotive, aerospace and shelter markets.

COMPLIMENTS OF
A Friend

To the class of 1976—the Minutemen of tomorrow

Two hundred years ago, times were difficult for most of the people of this country. A war was in progress and no end was in sight. The people were divided in their loyalties. Government was in disarray. Political leadership was in question. Inflation was rampant and prices were high. Crime flourished everywhere. Only the wealthy could afford good food and clothing. The future was uncertain.

Yet, the people who believed, who had confidence and considerable fortitude—the people who ran many risks day in and day out—went ahead and created a new nation, the likes of which the world had never known.

Those people, and the generations that followed, have given the people of this nation a full and rich heritage which is yours today.

Let us remember those that contributed to the greatness of America and strive to do our share in the years ahead.

You are the future of America.

SPECIAL THANKS

to Mr. Don Craig who willingly loaned us his proof sheets and negatives for many of the pictures in this book, who volunteered his time to photograph Seniors when we were in trouble with our deadlines, and who furnished us with Tri-X film when we were desperate.

Another special thank you to Mr. Jon Hanson who helped collect information for the faculty section. Finally, thanks to all the faculty who put up with countless interruptions in classes and team practices, and who recruited their advisees when we needed staff members. And thanks, Mr. Martin, for the phone!
